

Orinda Joins Lafayette to Oppose Bill

Faced by the probability that the amended measure will be taken out of committee and on to the Assembly floor next week, the Orinda Association's Civic Affairs Committee voted Monday night in favor of joining forces with the Lafayette Improvement Association to oppose A.B. 3217, the "urban unincorporated areas" proposal.

Meeting in the Orinda Grammar School auditorium, Civic Affairs members unanimously recommended that the Orinda Association Board of Directors urge Assemblyman Robert L. Condon and State Senator George Miller, Jr., to vote against the proposal.

This action was taken after the Civic Affairs Committee heard President W. B. Scarborough of the Lafayette Improvement Association analyze the bill and explain his organization's opposition.

THE BILL was taken out of committee last week, amended and referred back to committee, to be taken out again in 10 days, which would bring it on the floor some time next week," Scarborough said.

"The bill provides that before March, 1953, the Board of Supervisors in each county must decide which areas are urban and which are rural. An unincorporated area would be classified as urban if its

land use and development distinguished it from an agricultural area and if it received special services over and above those received by an agricultural area.

"Obviously, these characteristics apply to both Orinda and Lafayette.

"THE BILL FURTHER provides that on or after July 1, 1953, such 'urban unincorporated areas' shall be required to pay all costs of urban services by the county.

"For Orinda and Lafayette, those costs would be mainly for police protection and roads.

"Taxation may be applied in one of two ways. One is an 'urban ser-

vices zone' for the area in question and include the costs in the tax rate. Or individual areas may set up 'urban districts,' by petition of five per cent of the property owners, and select five directors, who will provide certain 'urban' services for special taxes paid."

SCARBOROUGH DESCRIBED A. B. 3217 and its companion measure, S.B. 769, as being "sponsored almost completely by the California League of Cities," and he said he thought the local 'urban district' provision was "obviously put in" by that organization "as a sop to those who didn't like the idea" of the general proposal.

Main legislative backing for the proposal, Scarborough said, seems to come from Los Angeles senators and assemblymen. He said that in the case of Los Angeles County there is some justification for this attitude, since many and varied services are provided by the county to its widespread areas.

"In the case of Lafayette and Orinda," he emphasized, "I think that roads are the only form of service in which we are getting more than the standard type of service for agricultural areas. It seems only fair that we should not pay additional costs."

Zach Montgomery and other delegates expressed uncertainty as to the basic merits or demerits of the proposal but agreed that, in view of the fact that the measure may be back on the Assembly floor next week, prompt action was necessary to prevent possible over-all increase of taxes.

A poll of the delegates by Montgomery revealed this to be the overwhelming sentiment, with the general attitude that if the "urban unincorporated areas" plan had any merit for Orinda and Lafayette there would be time for further study of it next year if a similar legislative move is made then.

CIVIC AFFAIRS CHAIRMAN

ORINDA SUN

Vol. IX, No. 11

Lafayette — Orinda, California — Friday, May 25, 1951

TEN CENTS

H. L. Cummings Will Discuss Separate Supervisorial Area

To obtain his views on a separate supervisorial district for the Orinda-Lafayette-Moraga-Walnut Creek-Concord area, Supervisor Jack Cummings will be invited to the next meeting of the Orinda Association's Civic Affairs Committee.

This was decided at Monday night's Civic Affairs meeting at Orinda Grammar School.

THE SUBJECT of a separate district had been referred to Civic Affairs by the association board, after receipt of a letter from the Orinda Estates Owners Association asking cooperation in obtaining such a district.

Chairman Zach Montgomery told the Monday night session that Mrs. Zella A. Moses, Orinda Estates secretary, recently informed him that the proposal had apparently been initiated by Bob Clough, former Civic Affairs head, when he was president of Orinda Estates, and that she had no additional information on it. Clough moved to Alamo early this year.

It was mentioned that the State Political Code allows the Board of Supervisors to create additional districts or change boundaries of existing ones.

"PERHAPS IT WOULD be wise to invite Supervisor Cummings to our next meeting, so we can have an opinion first-hand from county authorities," Montgomery suggested. This suggestion was approved. Next Civic Affairs meeting will be on June 18.

W. B. Scarborough, president of the Lafayette Improvement Association, who was present to discuss the "urban unincorporated areas" proposal in the Legislature, warned that a change in supervisorial districts might result in increased representation on the Board of Supervisors for the Richmond-El Cerrito area.

Only 35 Vote in School Election

Apparently because of the lack of a local contest, only 35 voters of the Orinda Union School District participated in last Friday's school trustee election at the Orinda School.

Incumbent J. S. Fraser, unopposed, was reelected to the Orinda School Board. Unofficial returns gave him 34 votes.

Incumbent John F. Chaddock, unopposed, was reelected to the high school board. Incumbents Elton Brombacher (6,251 votes) and O. J. Wohlgermuth (6,170) were reelected to the Contra Costa Junior College board, defeating LeRoy Charles Merritt (2,992).

Urban Area Tax—Do You Want It?

Are you for or against the "urban unincorporated areas" proposal which may be acted upon by the State Legislature next week and which will directly affect Lafayette and Orinda?

If you are in favor of the idea, there is no need for you to do anything about it. But if you feel it will result in unfair additional taxes, you should promptly get in touch with Assemblyman Robert L. Condon and State Senator George Miller, Jr., and urge them to vote against it.

In general, cities are in favor of the measure, while the County Supervisors Association of California expresses fear of "grave dangers" in it and urges interim committee study of A.B. 3217 and S.B. 769.

Sun Subscriptions Buy Projector

'WE'VE GOT A PROJECTOR,' Brenda Inman (at left) of Glorieta School tells Neil Studley (at right) of Orinda School as she demonstrates how to operate the machine. Looking on are Superintendent of Schools Joseph L. Sheaff and Mrs. J. H. Schwarck, Orinda School Board member and 1950-51 president of the Orinda Mothers Club. They're all happy, including Neil, because the projector, used by Orinda Schools, was purchased with funds from last year's telephone subscription drive by the Orinda SUN. —SUN photo by Mattson

Civic Affairs Backs Commuter Group Bus Gripe

Complaints about Greyhound bus service for commuters were voiced again Monday night at the Civic Affairs Committee of the Orinda Association.

Harold Rote informed the delegates gathered at Orinda Grammar School that between 7 and 7:30 a.m. only one San Francisco-bound bus comes through Orinda. He reported that Arthur Bowman of Orinda, a member of the Contra Costa County Commuters Association board, had informed him that Greyhound had agreed to add an extra evening bus out of San Francisco but refused to add an extra morning bus.

The committee recommended that the association board write to the State Public Utilities Commission about inadequate service in a letter expressing support for Commuters Association efforts to improve it.

Other Civic Affairs actions included:

- 1.—Recommendation that the board again ask state highway authorities to adjust Crossroads traffic signals so that they can be operated manually and to assign an officer to the Crossroads during peak Sunday hours.

- 2.—Asking the board to arrange with County Planning Technician to notify the Orinda Association in advance regarding all commission hearings pertaining to Orinda, so that the association can in turn notify member organizations.
- 3.—Decided to invite Planning Commissioner John Stoffel to the June meeting to discuss zoning problems.

Mrs. J. W. Small Now Women's Golf Champ

Orinda Country Club's women's golf champion is Mrs. J. W. Small. After a six-year absence from the local links, she nabbed the crown by edging out Mrs. J. L. Sharp 2 and 1 in the final round match.

At the end of the first nine holes Mrs. Small trailed 2 down, but she staged a back nine rally and finished as victor with an 81.

Orinda Night Set June 8, Oaks Park

Major project of Orinda Lions Club is the campaign to assist Scout Troop 207 to raise money to provide a guide dog for a blind veteran. Funds are to be raised by the sale of tickets for Orinda Night June 8 at Oakland Ball Park, sponsored by Orinda Lions Club.

Tickets may be obtained from members of Troop 207 or Lions.

A SCOUT POSTER contest will be judged Tuesday, the winner will receive a baseball glove donated by Simon's Hardware. Eight autographed baseballs will be provided by the Oaks to scouts selling the most tickets for Orinda Night.

IN CONJUNCTION with Troop 207, Troop 200 and Explorer Post 300 will have a paper drive June 2 and 3. The pickup truck will be stationed opposite the fire house during the drive. Residents are urged to contact scouts if they have paper to contribute or to take them to the truck.

A talk and demonstration by L. B. Honegger, inspector for the Underwriter's Laboratory in San Francisco, will highlight the June 13 session. He will speak on "Testing for Safety."

Is It — or Not — Wonderful Stuff?

Being checked at a state laboratory, according to Inspector Norman Wilson of the sheriff's office, is a garden fertilizing product which salesmen have been lauding to home gardeners in this area.

Wilson said that residents, curious because of the "fabulous" price asked, have requested the sheriff's office for information as to whether the peatmoss-like substance is bonafide or otherwise.

Results of the laboratory analysis should be known by early next week, the inspector said.

Wilson said the salesmen, apparently from the B&B Nursery, which has offices in Oakland, have represented the product as having a certain amount of fertilizing qualities.

Youngsters at Orinda and Glorieta Schools now have two still-film projectors for use in their visual aid classes. Until recently it was necessary to shift one back and forth between the two schools.

The present projector, a Model 3800 MC Dillineoscope projector delivered recently from the Photo and Sound Company, San Francisco, is the result of the Orinda SUN's subscription campaign last summer.

In that telephone drive, in which many residents subscribed to the SUN, the net proceeds from each subscription were set aside for the projector.

THE PROJECTOR was presented to the Orinda Mothers Club by Herman Silverman, publisher of the SUN.

"We know that the Mothers Club has been wanting to purchase a projector for the schools. Since the Mothers Club and the SUN work closely together, it is most appropriate that the Mothers Club should make the presentation," Silverman stated. We are happy and proud to be associated with the Mothers Club in its projects to improve our schools."

For example, all the club and other news that the reporter for the Mothers Club sends to the SUN each week is paid for at regular space rates. This is the third year of the association which has proven so successful. This year Mrs. A. M. Arighi has served as the club's reporter.

IN THE NEAR FUTURE, another subscription drive will be started with proceeds going to the Mothers Club playground equipment fund. The special fund will benefit from any new subscriptions turned in from now on in which the subscriber specifies the playground fund. The drive will be conducted through the schools and over the telephone.

Realtors Set for Acapulco Meeting

Realtors of this area will meet next Thursday at the Acapulco to honor "old-timers" in the real estate business, it is announced by A. J. "Buck" Johnson, president of the Contra Costa Real Estate Board.

Current problems of realtors and their salesmen will be discussed by a panel composed of men with many years' experience in real estate in this area, including Al Gelderman, Guy Putnam, Fred T. Wood, L. T. "Ted" Schreiber, Steve Forbrag and W. Ed Wallace.

New members of the Real Estate Board during the past year will be recognized at the same meeting by the gift of "Realtor" lapel buttons from the board. More than a dozen firms have joined the Board and its Multiple Listing department during the past 12 months.

Rev. Morrow on New Committee

Rev. and Mrs. Fred Morrow and Rev. Godfrey Matthews represented the Orinda Community Church at the 95th annual meeting of the Northern California Congregational Conference at Fresno last week.

Rev. Morrow was elected a member of the conference committee on ministerial standing, a group responsible for the examination of all candidates for licensure and ordination.

Four hundred delegates of the 100 churches in the area participated in the business and inspirational sessions held in the Pilgrim Armenian Church.

Among principal speakers were Dr. Albert Stauffer and Dr. John Reuling of New York and Rev. Philip Murray of Oakland, who served as chaplain.

'No Crossroad Sale Talk Yet' --EBMUD

John W. McFarland, general manager of the East Bay Municipal Utility District, assured the Orinda Association's Civic Affairs Committee Monday night that E.B.M.U.D., with a few minor exceptions, has conducted no negotiations regarding the sale of between 600 and 700 acres of its land in the Orinda area.

Only talks which have been going on, he said, are with the Orinda School Board, St. Stephen's Episcopal Church and Santa Maria Catholic Church. These discussions revolve around small parcels; the school board is interested in a site at the end of Washington Lane in Sleepy Hollow, while the two churches, according to McFarland, are still undecided on site locations.

MAIN CONCERN of the Civic Affairs Committee was the Pine Grove area at the Crossroads, above the Shell service station, until recently the object of condemnation proceedings by the Acalanes High School District.

The condemnation suit was recently dropped by the high school district, and the Orinda Division of the Contra Costa Real Estate Board, in a letter to the Orinda Association, subsequently expressed fear that large construction firms are interested in this land "with the apparent intention of erecting homes not in keeping with the surrounding neighborhood."

CIVIC AFFAIRS MEMBERS, including Chairman Zach Montgomery, Ramsay Underwood of the Orinda Division, Contra Costa Real Estate Board, and Frank Cayting of the Glorieta Improvement Association, shot queries at McFarland and at Phil Wagner, in charge of the E.B.M.U.D. property division.

Upshot of the lengthy discussion was that a committee was formed for future discussion of Crossroads land developments. McFarland and Wagner agreed to serve on the committee, along with Kirk Miles, chairman; Underwood, Cayting and Montgomery.

"THERE WILL BE a meeting of the committee in about two weeks," Montgomery said. "I hope no decision is reached before then."

"I'm sure we won't have one by then," McFarland replied.

McFarland had recalled that about a year ago at an Orinda Association town meeting, he had mentioned that E.B.M.U.D. was very anxious to dispose of any land not needed; this was possible in the Orinda district, he explained, because of Central Contra Costa Sanitary District sewer service.

"Shortly after that, the high school condemnation suit was filed. (Continued on Page 6)

Two Geologists Differ on Slide At Rheem Oaks

Disagreement of geologists over the slide potential at Rheem Oaks caused further Planning Commission delay Tuesday regarding the proposed 13-lot subdivision at Rheem Boulevard and St. Mary's Road.

Chester Marliave, geologist and registered engineer hired for the purpose by the engineering firm of Wilson and Company, Oakland, made his report at the planners' session in Martinez.

While suggesting that some of the land should not be used for building sites, he stated he thought most of the land could be built upon.

This, according to Planning Technician Tom Heaton, was in contrast to the recommendation recently made by W. Dort, Stanford University geologist hired by the county, that considerably more of the Rheem Oaks property not be built on because of slide conditions.

THE ENTIRE MATTER was taken under advisement by the planners. Heaton said that copies of Marliave's report would be prepared for all the commissioners, so that they could study the report.

Emphasizing the difference in the two geologists' judgments was a letter from Dort received by the commission Wednesday morning. Referring to Marliave's report, Dort stated that it was "always possible" for geologists' reports to be in conflict, but he stressed:

"I CANNOT RECALL any occasion where a report could be more clear."

Declaring that "we're here to protect the future buyers of land, not the developers," Assistant County Surveyor George Berry had urged a thorough checkup before commission approval of the subdivision map.

County Surveyor Joseph Barkley had stated that Rheem Boulevard had been virtually closed because of slides, while Planning Commissioner John Stoffel had expressed the belief that the tract was out of the slide area.

The Wilson and Company firm is the engineering representative for Owner D. L. Rheem in connection with Rheem Oaks.

Local Boy Scouts Participate in Annual Camporee

For the third time in three years, Lafayette Boy Scout Troop 204 qualified last weekend for the white ribbon of Pioneer Troop Award, the highest award given at the Berkeley-Contra Costa Council's Camporee. The outing was held at East Shore Park in Richmond.

Over 1,500 boys and their leaders from Contra Costa County and Berkeley attended this annual two-day camp. Among the local troops attending, in addition to Troop 204, were Troop 210 of Lafayette and Troop 207 of Orinda.

All camps were set up by the boys under difficult conditions, as the large number of scouts attending the Camporee resulted in a scarcity of space, and the cold weather and high wind made it hard for the camps to be kept in first class condition at all times.

TROOP 207, the only Orinda unit participating in the affair, had 25 boys in seven patrols present for their camp, under the direction of Scoutmaster T. G. Cullen, assisted by Assistant Scoutmaster Dick Bottger and Troop Committeeman Bud Thurston.

Troop 207 was awarded the yellow ribbon of Participation, while three of their patrols received a rating of Standard and carried home the red ribbons.

JOINING IN THIS Camporee as their first participation in any large scout camping activity, Troop 210 of Lafayette set up its camp with their new and colorful tents.

The five patrols of Troop 210 attended the Camporee under the leadership of Scoutmaster Ed Aszklar. He was assisted by Committeemen J. Reagan, R. McDermid and H. Bradley.

Troop 210 returned home with the red ribbon indicating a Standard award.

TROOP 204, WHICH HAD four patrols of 46 boys entered, qualified for the Pioneer Troop Award, which is based on a special standard of judging above the ribbons given each patrol for efficiency in camping. Each patrol won a blue ribbon of Proficiency, too. The only other troop in the entire area which qualified for this award was Troop 11 of Berkeley.

The scouts of 204 were led by Assistant Scoutmaster Bob Rolley, Committee Chairman Bob Effinger and Camping Chairman Paul Wilson. The leaders were assisted by a group of senior scouts who were not entered in any activity of the Camporee. These included Bob Keller, Don Weidlein, Allen Stanley and Wayne Brannan.

ALL THE SCOUTS present joined in field events and demonstrations of camping skills. On Saturday evening a campfire program was held by scouts and many interested visitors. On Sunday morn-

Acalanes Parents Club Holds Last Meeting of Year

The last meeting of the year of the Acalanes Parents Club was held Monday in the school cafeteria.

President Mrs. E. T. Carroll announced that three scholarships are to be presented by the Parents Club this year, one of which was suggested by Mrs. Charles Neuman, for which the greater part of the money was raised by the "Teacup" which is always on the refreshment table, and by the social items which were secured by Publicity Chairman Mrs. S. H. McAllister and published in the SUN.

A panel discussion entitled "Five Problems of Youth" was held with six senior students and six parents participating, and W. Ross as moderator.

The students' version was capably handled by Janet Chantler, Dorothy Bedard, LaVerne Durante, Art Dull, Don Cvietusa and Bob Winklenbach. The parents' side of the questions was presented by Mrs. Elliott Mauzy, Mrs. Fred Knobel, Mrs. Langford Wallis, A. Cvietusa, E. H. French and Fred Seulerberger.

Officers for the ensuing year were then presented and installed by Kenneth L. Courtright—Mrs. R. C. McBride, president; Fred Knobel, vice-president; Mrs. Robert Bennett, recording secretary; H. D. Fey, treasurer; Mrs. W. L. Rinehart, corresponding secretary, and J. G. Hupp, auditor.

Mrs. Robert B. Muse and Mrs. Abe Doty were co-chairmen for the refreshments, assisted by a committee of Orinda mothers consisting of Mesdames J. R. DeKorne, H. Altendorfer, C. Davey and Alex Morris.

Brownies! Stay Home and Hear Yourselves Sing

Brownies of the Diablo Valley Area Girl Scout Council who sang in the eBrownie Revel at the Walnut Creek City Park last Saturday can stay home this Saturday and hear themselves over Radio Station KECC, Pittsburg.

The radio station made a transcription of the community singing and will broadcast it at 5:30 p.m. Saturday. Carol Foster of Troop 110, Walnut Creek, led the group in the Brownie promise.

ing, church services were conducted, and then the boys broke up camp.

The awards were then made, and the boys returned to their various home towns.

Contractors to Hear Goodwin Knight

New members and prospective members will be present at the dinner meeting of the General Contractors Association of Contra Costa County Tuesday, at 7 p.m. at Planters Dock in Lafayette, according to President Donald J. Lawrie, Lieutenant Governor Goodwin J. Knight will be the guest speaker.

LAWRIE STATED that the meeting, to which the wives of the members and prospective members, are invited will be of "great importance to the building industry. The regional vice-president of the National

Association of Home Builders, Neils Schultzy, Sr., and Dan C. Peacock, Jr., national director from the Contra Costa Association, will report on the NAHB meetings held in Washington, D. C. last week.

Sherman L. Balch, Walnut Creek builder and chairman of the Contractors Industry Mobilization Drive, announced the team that has been working in the drive from this area includes Balch, general; Robert R. Platt, major; Philip Firestone, captain; Bill Boles, Donald J. Lawrie, Warren H. Olson, Louis LaBrie, Bob Mairs, and Dan C. Peacock, Jr.

Children Asked To Prepare Art Work for Exhibit

Announcements are now being sent to the Art Departments of all schools in the county, from kindergarten through junior college, calling attention to the participation of students in the School Art Exhibit to be held as part of the Outdoor Art Show in September.

A teacher from each school will be appointed to collect entries and to encourage students to prepare work for the show. Paintings and drawings of all kinds, whether done at home or in connection with school work, are eligible for entry. All work will be judged, the final decision resting with a board of qualified jurors.

Parents are urged to encourage their children to collaborate with their teachers in preparing entries. The Children's Art Exhibit, again under the able direction of Mrs. Ruth Howard, is always a popular attraction at the Outdoor Art Show, and plans are being readied to once more make this group a prominent feature.

TWO EARS MAY MISS IT

Just as two heads are reputedly better than one in many quests for knowledge, so are four or even more ears better than two when in search of car noises. Noises in the car have a way of being transmitted quite a distance from their source. The man engaged in rocking the car or otherwise creating the conditions that produce the sound may find himself too far away to locate it precisely. It is one job on which it pays to have a helper.

DID YOU KNOW that the burning season is now on and that a permit is necessary to do your burning? The safest way to burn is in a fire department approved Burnwell All-Steel Incinerator. These are available at Diamond K along with the more decorative concrete incinerators.

HOW ABOUT LAWN mowers? Are you going to struggle and strain with that old fashioned, hard-pushing mow er again this summer? Or, are you going to drop over to Diamond K and select one of our new lightweight Alumalite Hand mowers?

If you are interested in a power mower Diamond K has three different models to pick from, including the revolutionary new Reo Royale Deluxe Mower. The Reo Royale features a 21-inch cut, powered with a 1 1/4 horsepower, four cycle gasoline engine with the automatic rewind starter. While on the subject of power equipment it is always gratifying to have satisfied customers.

A RECENT ROTOETTE purchaser, Mr. V. E. Money of Los Palos Drive, Lafayette, says, "It is the finest investment I have made for the upkeep of my home."

Considering the soil conditions and the adobe prevalent in the Glenside area this is particularly gratifying. Don't buy any garden tractor without first looking over the Model T Roto-ette.

See you next week.

Annexations Halted as Sanitary Board Studies Facilities, Future Problems

Long a recognized problem of increasing proportions, the subject of annexations to the Central Contra Costa Sanitary District has been brought to a head by the efforts of the Cresta Vista subdivision near Geary Road and Pleasant Hill Road to become part of the district.

The move by this 26-lot subdivision to be annexed to the sewer district so as to cure its acute septic tank troubles came up for discussion at last week's meeting of the district board in Walnut Creek.

With Director Hal Toland casting the one dissenting vote, the board decided to put the annexation request over until the June 7 regular meeting so that an "inventory" could be taken of the district's facilities and of areas which the district will be called upon to serve. A private session is planned by directors prior to the June 7 meeting, for review of the entire matter of annexations.

NOT ONLY is the Cresta Vista move stymied by this development, but a temporary halt to any other possible annexations has resulted from the directors' decision to review the subject thoroughly.

Chairman Elliott Johnson and Directors H. M. Smitten and William Malott pointed out that the present facilities of the district make it mandatory to take stock of the district's capacity for handling future annexations.

"We've got several thousand acres in the Moraga area alone we must provide with service when long contemplated building development there gets into full swing—and it's

within our district," Johnson said. BASIC CAUSE of the whole problem, it was agreed, was that population increases and building activity of the past few years throughout this area have far exceeded all earlier estimates and predictions.

Toland agreed with the other directors that taking stock is a necessity, but he objected to tabling the Cresta Vista request "when we've taken in lots larger subdivisions without question."

The board instructed acting manager-engineer Victor Sauer to prepare a preliminary survey of the district's facilities and ultimate capacity and to list those areas which may be expected to seek inclusion in the district in the future.

LAST OCTOBER, Manager-Engineer John Mason, who is now on military leave, reported that over 1,200 homes were under construction in areas encompassed by the district and that an estimated 1,500 persons were moving into the district every month. He stated that records of sewer connections in newly completed homes indicated that more than 300 new homes a month were being occupied.

Johnson and Smitten have for some time been cautioning against indiscriminate acceptance of annexation requests, warning that such action may soon force the district to enlarge its sewage treatment plant at Pacheco and may necessitate installation of parallel trunk lines to the plant.

Meanwhile, sewer service is a real need for many areas. How this need will be met appears to depend on the policy review now under way.

Highway Group's Meeting June 5 Will Air Gripes

Diablo Highway Improvement Federation's last general membership meeting of the season will be held Tuesday, June 5, at Lafayette Town Hall.

Plans for the gathering were discussed Wednesday night at a meeting of federation directors at the home of Elliott Hartman on Hidden Valley Road. Following the directors' session, Chairman Lloyd Holton of the Federation announced:

"AT THE JUNE 5 meeting the membership will be brought up to date on the federation's efforts with state and county authorities to obtain relief from the tremendous traffic problems which face the Diablo area.

"The meeting will serve to point out directions for the federation's work during the coming summer months.

"It is planned to make time available at the membership meeting so that as many delegates as possible may speak on the problem or problems of chief importance to their local associations.

"IN THIS WAY the Board of Directors of the federation will be able to plan our future endeavors so as to hit those problems which are of major significance to the member associations.

"The June 5 meeting is your chance to air your gripes."

During the summer the Board of Directors will continue to meet, Holton said.

Local Realtors to San Jose Meeting

A. J. "Buck" Johnson will head a Walnut Creek delegation of realtors to a three-day meeting of California Real Estate Association directors in San Jose scheduled for today, tomorrow and Saturday.

With Johnson will be William Anderson, Lawrence Wallace and Mabel Anderson. Johnson is president of the Contra Costa Real Estate Board.

Chief topics to be discussed at the meeting include multiple listings and a training program for board officials.

Over 140 Attend Lions Ladies Night

More than 140 Lions, their wives and guests, gathered at Acapulco Saturday night for their first intra-zone "Ladies Night" party.

Members and their guests from Danville, Walnut Creek, Orinda and Lafayette Lions Clubs attended the dinner affair, which they hope to make an annual event.

Visiting Lions officials, District Deputy Governor Neil Clintsman and Zone Chairman Jack Tait, were honor guests. Entertainment was provided by the Walnut Creek Lions Club barbershop quartet, which just won the district championship at the mid-May conference at Hoberg's.

Members of the quartet are: Warren Swing, Lyman Stoddard, Don Judd and Lee Russell, all of whom are slated for the championship semi-finals to be held at the Stockton Convention June 1 and 2.

Diablo Art Show Viewed by 700

More than 700 persons viewed the Spring exhibit of the Diablo Art Association in the Pylon Building, Walnut Creek, last week. They voted for winners in the fields represented, and among their choices were:

Paintings—"Alamo Autumn," by Natalie Woolsey, Orinda, first place; "Sister Concepcion," by Lillian Councilman, Walnut Creek, third; "Crow Canyon," by John Horn, Walnut Creek, fourth.

Craft Section—A wrought iron table and chair by Carl Jennings, Lafayette; a ceramic plate by Frank A. Smith, Lafayette; "Maelstrom," a ceramic by Eleanor Condon, Walnut Creek, and a lamp, "In Old Cathay," by Carl Vinther, Pleasant Hill, were judged the most popular.

President Guernsey Ford of the Diablo Art Association said the seven-day display, which ended Sunday, brought in 14 new members into the organization.

Dirt Heap Off Orinda Highway By End of June

That heap of dirt last November's rains washed across the highway between Orinda and the Broadway Low Level Tunnel will be all cleaned up by the end of next month, state highway engineers reported today.

Motoring commuters should be able to resume travel over the regular highway at the slide point by June 30, according to L. A. Weymouth, engineer for District Four of the State Highway Commission.

Music Appreciation

A music appreciation class sponsored by Contra Costa Junior College meets each Wednesday, 7:30 to 9:30 p.m., at Parkmead School, Walnut Creek. The class is directed by Allen Scholl of the college faculty.

Do you realize how much it costs when you drive through the tunnel to shop?

Pechart Declares He, Kessel Have Quit California

Speaking for himself and his partner, Dave Kessel, W. M. Pechart declared of their gambling interests recently:

"We're through in California. There's no sense trying to buck this anti-gambling fever."

The statement was made when Pechart appeared before Federal Judge George B. Harris in San Francisco to enter pleas on charges of contempt of the U. S. Senate.

The Contra Costa gambling operator emphasized that he and Kessel are now in Nevada activity but denied they have bought an interest in a major Reno gambling establishment.

3,000 Poppies Here on May 25th, 26th

Three thousand memorial poppies have been received by the Lafayette American Legion Auxiliary for distribution today and tomorrow, according to Mrs. M. H. Stanley, poppy chairman.

On Poppy Days everyone will be asked to wear red crepe-paper poppy in tribute to Americas war dead, and to contribute to the welfare of disabled veterans and needy children of veterans.

POPPIES WILL be distributed on the streets throughout both days by volunteer workers from the Auxiliary.

The red crepe paper poppy, replica of the Flanders Poppy, was officially adopted in 1921 as the memorial flower of the American Legion and Auxiliary. Through the years it has come to symbolize memory of those who have died for America, and is traditionally worn on Memorial Day.

"MORE THAN 10,000 disabled veterans have been given profitable employment shaping the little red flowers, the materials for which are supplied by the Auxiliary," said Mrs. Stanley.

"The veterans are paid for each poppy made, giving them the encouraging experience of earning

money once again, as well as providing interesting occupation during the long hours of hospitalization and convalescence.

"In addition to providing employment for men unable to do other work, the poppy program is the main source of financial support for the vast rehabilitation and child welfare work carried out by the Auxiliary.

"Most of the money which people of Lafayette contribute on Poppy Days is used to aid local veterans and their families."

Many New Members Join Daphne Branch

The new members of the Daphne Branch of Children's Hospital are Ann Bronson, Pat Randall, Paula Cory, Shirley Williams and Nancy Carroll.

Daphne is the new branch started at Acalanes High School by Ann Seuberg, Joanne Neuman, Alice Spencer, Joan Gordon, Robin Hooper, Renee Lassalle, Kay Goodwin, Sandra White, Jerri Nardini and Pat Cavallera.

Your P. G. and E. rates—lower today than in 1940!

Despite an 87% increase in the cost of living since 1940, your P. G. and E. rates are lower today than 10 years ago. In fact, they are among the very lowest in the nation. Why do your gas and electricity cost less? Because: 1. The more you use the less you pay for additional gas and electricity. And today you use nearly twice as much as you did ten years ago. 2. Alert employees and careful management constantly improve our efficiency. The savings that result are passed along to you. Remember: The rate you pay is lower, though your utility bill may be more than in 1940 because you use more gas and electricity.

P. G. and E.

PACIFIC GAS AND ELECTRIC COMPANY

Mr. Fred J. Marchi, Los Gatos butcher, one of P. G. and E.'s 170,000 stockholders. Through their investment we have been able to meet the increased demand for gas and power. We have spent over \$700,000,000 since 1945 on new facilities.

P. G. and E. foreman Tom Stermer says: "One reason your rates are lower is because the Company encourages all hands to improve service, cut waste, improve efficiency. I received a \$700 award last year for an idea that cut production costs."

Mrs. Frank M. Cooley, Greenbrae housewife says: "With two youngsters to feed, and a 7-room house to take care of, you bet I depend on my appliances! Yet our P. G. and E. bill is about the smallest item in my monthly household expenses."

Martinez Merry-Go-Round

Grand Jury Asks New Main Building at County Hospital to Replace 'Firetrap'

Describing housing conditions at Contra Costa County Hospital at Martinez as "appalling," the County Grand Jury this week urged that "a complete program for modernization of hospital facilities be given immediate consideration."

This should be done, the Grand Jury stated, "with a view to replacing the main building of the hospital at the earliest possible date."

The recommendation had been made in a special report on County Hospital conditions by the committee, consisting of Harold Ritchie, chairman; Francis L. Wilson and Harry Tezzi. The report was submitted to Foreman E. C. Kain of the Grand Jury, and was unanimously adopted by the entire Grand Jury.

"The attention of the public must be called to the fact that in the event of fire, or some such catastrophe at the County Hospital, many persons would be injured or might lose their lives," Cain and Ritchie observed in commenting on the situation.

"This is a county responsibility. We cannot wait for the worst to happen before doing something."

"Funds must be secured by a bond issue to erect a hospital that shall eliminate all hazards."

'BLACK, SHAMEFUL SPOT'

Terming the hospital facilities "a black and shameful spot on the county's record," the hospital committee and the Grand Jury as a whole said:

"We feel that the general public is unaware of the outmoded, antiquated and inadequate facilities and would be shocked if they realized that the old hospital is a veritable firetrap from which it would be virtually impossible to remove the patients should a catastrophe of any kind occur in the overcrowded building."

PRaises MEDICAL DIRECTION

The committee praised the medical direction and administration of the hospital as "excellent," described care of patients as "comparable to that given in any private hospital" and commended Dr. George Degnan "for his fine work as medical director."

Although "some progress" was noted toward modernization in plans for a group of supplementary buildings, the report declared:

"We feel that no more money for major repairs or additions should be spent on the main building, since its condition makes replacement the only solution."

WHAT ABOUT THAT A.B. 3217?

That cities as well as rapidly developing rural areas in the county are interested in the "urban unincorporated areas" legislation effort in Sacramento (A.B. 3217) is shown by the action of the Martinez City Council.

True, the approach is from a different angle, but it is part of the general argument — whether rural areas should continue to get certain county services without payment of extra taxes.

On this question, the Martinez City Council favors legislation which would ban so-called "free rides" of unincorporated areas. In a resolution, the council asked Contra Costa legislative representatives to support A.B. 3217 and its companion measure, S.B. 769.

The resolution stated that "municipal-type services," such as police and fire protection and road maintenance and repair, should be paid for as special services, and declared:

Install Officers Of Development Group Thursday

The annual installation dinner of the Contra Costa County Development Association next Thursday night will mark the organization's 15th anniversary and will also be observed as past president's night. Association President W. O. Barnes announces that the speaker will be Robert R. Gros of San Francisco, Pacific Gas and Electric Company executive.

Gros will discuss recently developed facts on the Korean situation and General MacArthur in Honolulu. This will mark the first public disclosure of material he has gathered.

The dinner will be held at Paul's, Martinez, at 7 p.m. Attorney Joseph L. Judson of Pittsburgh, chairman of the association's highway committee for the past two years, will succeed Barnes as president.

In addition to association members and a large number of past presidents, the dinner will have as guests members of the Board of Supervisors, county officials and officials of many of the county's municipalities.

Judson's new group of officers includes H. B. Hemmen, Rodeo; Verne Andreason, San Ramon; Edward M. Larmer, Walnut Creek and Lafayette; and Dudley J. Sutherland, Oakland, vice presidents.

VART Program Open to Veterans

Any man or woman who previously served in the United States Armed Forces and who is not presently a member of a reserve organization, is qualified to join the Voluntary Air Reserve Training program. This was revealed recently by Major J. G. Knowlton of 1691 Lilac Drive in Walnut Creek.

The VART program is an inactive reserve organization, giving reservists the opportunity to maintain their proficiency while working toward promotion and retirement.

Many positions are open to enlisted personnel as well as to officers. Those in the lower ranks who are eligible, will be promoted to fill the higher positions.

Meetings of the 9441st Squadron, Flight B, are held each second and fourth Thursday in the Veterans' Memorial Building in Walnut Creek. For further information call Walnut Creek 2973 or attend the next meeting at 7:30 May 24.

ALAMEDA COUNTY FAIR

A call to clubs, lodges, associations and individuals to place exhibits in the Home Economics Department of the Alameda County Fair, June 27 through July 7, was issued by Mrs. Elmore Pederson, department chairman. Deadline for the filing of entries is June 18.

How to 'Travel'—At Acalanes Library

It's off to Canada next Thursday night... and then the "Let's Travel" series at Acalanes, part of the high school's Adult Education Program, will be over until next Fall.

Last night's program was on Sweden, with persons recently in Sweden as guest speakers, and with sound-color films shown (such movies have been a feature at each gathering) — "Youth and Summer in Sweden," "Meet the Swedes" and "Glorious Sweden."

THE 10TH AND FINAL gathering next Thursday night of the Spring "Let's Travel" series will have Canadian Vice-Consul Gladys Bearman from San Francisco as guest speaker.

The color-sound movies, according to Chairman Richard Nesbitt, will include four films furnished by the Canadian Consul General's office — "Highway 16" (through British Columbia and the West Rockies), "Canoe Country" (an American family on a canoe-trip vacation), "Holiday at Waskesieu" and "Four Seasons" — and a Canadian National Airways film, "Across Canada."

EIGHT P.M. is the starting time of the two-hour journey you take while seated comfortably in the high school library.

This season's weekly series is the first time the "Let's Travel" idea has been undertaken at Acalanes, and it has proved so popular that Nesbitt says it's definitely being planned for next Fall again. On the rainiest evening imaginable 50 people showed up for the "trip," and at other times attendance has been as high as 85.

Nesbitt, a youngish-looking fellow who is a daytime English and dramatics teacher at Acalanes, conceived the idea for the "Let's Travel" series several months ago. Having been to few spots himself — including Europe for a year in World War II as an Air Force member, Western Canada in 1946 and the Far East in 1947 — he figured that most people like to go places, and he conveyed his enthusiasm to David Stewart, Adult Education director at the school.

THE RESULT EXCEEDED their expectations. Starting with the first "trip" to Hawaii, each Thursday evening has been a combination of informal introductory talking by Nesbitt, stimulating discussion by the guests or guests of the evening, interested comment by "travelers," and about an hour and a half of

authentic sound-color movies. After Hawaii, the vicarious journeys have been to Mexico, the Far East, Norway, France, the British Isles, the Mediterranean area and South America.

In the Far East in 1947, Nesbitt was purchasing agent for a company rebuilding war - destroyed pineapple plantation installations in the Philippines, and he and Mrs. Nesbitt lived in a swali (woven bamboo) hut at famed Mindanao air strip.

"The hut had rough-hewn, solid mahogany floors — the kind of wood that would cost a fortune here," he recalls.

"But that was a few years ago," he reminds us, "and we're all going to Canada next Thursday night, in the Acalanes library. Is it a date?"

O.P.S. Threat — May Close Up Late Price Filers

A warning to owners and operators of taverns, restaurants and fountains that they may be "closed up" if they don't hurry and file "price control statements," came today from Thomas B. Richardson, district enforcement officer for the Office of Price Stabilization.

The statements were supposed to be filed last April 30, according to Richardson.

Tussle on Public Utility Regulations Highlights Legislature's Activities

By ASSEMBLYMAN ROBERT L. CONDON

Less than a month remains before the Legislature finally winds up the 1951 session. Last week the most significant happenings were in the field of public utility regulations.

For years, the California Public Utilities Commission (formerly the Railroad Commission) has had the power to regulate all phases of utility management in determining what rates may be charged to the public.

Recently, a State Supreme Court decision cast doubt on whether the commission could consider the relationships between the parent company and the operating company in fixing rates.

THE CASE IN QUESTION involved the telephone company. The stock of the Pacific Telephone and Telegraph Company is 86 percent owned by the American Telephone and Telegraph Company, one of the world's largest corporations.

Several city attorneys contended that the American Telephone and Telegraph Company, the parent, was charging Pacific Telephone excessive fees for management services. They also claimed that another subsidiary of the Bell System, the Western Electric Company, had a monopoly on supplying equipment to the operating company at exorbitant prices.

As a result, it was charged, Pacific Telephone showed a low profit rate, justifying increases in telephone charges.

If, however, the relationship and profit ratio of all the interlocking corporations could be considered by the Public Utilities Commission, then, the argument goes, rate increases would be unwarranted.

A BILL GIVING the Public Utilities Commission the power to weigh all these factors was defeated in the Assembly Public Utilities Committee.

Its author, Assemblyman Rosenthal of Los Angeles, attempted to

withdraw the bill from committee so that all members could consider the measure. He failed in this attempt, gaining only 18 votes, including mine. The loophole in utility regulation therefore continues.

THE RAILROADS ALSO won a couple of victories. On the cost of grade separations — underpasses and overpasses — the Public Utilities Commission is authorized to apportion costs between the railroads and the government concerned.

The railroads sponsored a bill which passed the Assembly, over my "No" vote, providing that the commission could only use the financial benefit to the railroads in figuring their share of the cost.

This measure was opposed by the cities, counties and the State Department of Public Works on the grounds that it would increase the public share of improving grade crossings.

The railroad lobby, however, controlled more votes in the lower house than the public agencies.

THE OTHER railroad-sponsored bill provided for fixed fines ranging from \$10 to \$1,000 for trucks guilty of overloading.

Under existing law, each judge has discretion as to the fine levied on trucks found to have too much cargo. This bill, if signed by the Governor, removes this discretion and establishes the fine within the range indicated, depending on the weight of the excess load.

MISCELLANY: The bill outlawing draw poker was killed in the Senate Governmental Efficiency Committee. The same committee approved a measure allowing night harness racing.

Contra Costa will have two additional Superior Court judges under my bill approved by a Senate Committee last week.

SHOPPING AROUND with Nancy

IF YOU'RE PLANNING TO TRAVEL BY RAIL to your vacation destination a bit later on, or if you're expecting to make a business trip by train, it might be well to arrange the details now. Railroad rates are scheduled to go up June 1, particularly on Pullman space. Authorized agents may make your reservations this week, before the increase goes into effect. Phone WHITEMORE TRAVEL SERVICE today, Walnut Creek 4414, for additional information.

—WHITEMORE TRAVEL SERVICE

OLD SHOES THAT ARE STILL WEARABLE will have a new lease on life after a trip to the shoe repair department in SUTTON'S SHOE SHOPPE, Lafayette. You probably have footwear in your closet that would be good for many more miles of comfortable wear with new soles, straightened heels, stitched seams or just a good cleaning and polishing. You can have any or all of these repairs expertly done here. The best materials are used and the prices are right.

—SUTTON'S SHOE SHOPPE

FOR THAT SPECIAL LINE to your figure that makes your clothes feel and look so much prettier, choose a Lov-e bra from the complete selection, including maternity styles, featured at MARZEL'S, Lafayette. You have no idea what a difference a Lov-e bra can make in your figure until you have one custom fitted to suit your individual proportions. Flattering and comfortable, there's a style to fit you, no matter what your figure type.

—MARZEL'S

HAVE YOU SEEN THE REDWOOD VILLAGE next door to LAFAYETTE FURNITURE? If you haven't, you've really missed something! You'll be pleased as punch with the large display of livable garden furniture—perfect for your summer leisure hours and ideal for your informal entertaining these warm days. There are redwood tables, benches, chairs, chaise lounges, director's chairs, swings, umbrellas and braziers, good ones too; for your outdoor barbecuing. Drop by Redwood Village and browse around.

—LAFAYETTE FURNITURE

UPHOLSTERING IS A PRACTICAL HOBBY as well as an interesting one, and KUSTOM STUDIO, in the Hamlin Cleaners Building on Golden Gate Way, Lafayette, is just the place to learn it. When you join the hobby upholstery classes, held Monday and Tuesday nights, 7:30 to 10, you bring one of your own chairs to re-upholster, thus getting extra benefits from the expert instruction. A once-a-week day class is in prospect for those interested in this craft. Phone Lafayette 3917 for information.

—KUSTOM STUDIO

HAVE YOU HEARD THE NEW MARIO LANZA recordings yet? CAMPANA'S MUSIC STUDIO, Lafayette, has a complete selection of his works, which is good news to you music lovers who have heard Lanza's wonderful tenor voice with its remarkable resemblance to that of the unforgettable Caruso. See and hear Lanza in his current starring role in the movie, "Life of Caruso," and you will understand why Campana's gets so many calls for his records. These, and others, both classical and popular, are available in three speeds.

Let's Proudly Wear a Buddy Poppy

Your Garden

For Healthy, Attractive Trees, Keep Eye on Them, Inspect Thoroughly

By BERT WRIGHT

TREE CARE—What to do and when?

Keep your eye on your trees! They are the most impressive units in the whole layout; also the most expensive and the hardest to replace. They deserve the utmost in careful tending.

Two periodical inspections should take place—in the early spring and the early summer.

At the spring checkup the deciduous trees will be bare and their framework can be scrutinized to advantage. The owner will have his eye out in particular for winter damage. Breakage from wind will be noted and repaired.

THESE REPAIRS are to be made forthwith. To yield best results, they should be attended to before the sap starts flowing.

Then in June, soon after the trees have achieved their full dress foliage, a second and even more critical inspection is due. Now the framework of the tree is concealed, but the foliage closely reveals the condition of arboreal health.

If the leafage is sparse and yellow, something is wrong with the nutritive or digestive processes of the tree; a further examination may identify the malady and may even show the way to a cure.

Difficulties most commonly discovered at this season are:

1.—**DROUGHT.** The tree isn't getting enough water.

This may be because of leachy soil, the competition of other trees and grasses or, possibly, because of other maladjustments.

2.—**WET FEET.** Too much water, usually the result of lack of good drainage.

This is most likely to show in winter.

3.—**STARVATION.** The tree may not be getting a fair allowance of plant food. This is the first trouble suspected by the amateur, who is always rushing in with the fertilizer bag at the first alarm.

I will grant you that in most cases in our community it is lack of fertilizing, but use it sensibly.

4.—**INSECT ATTACK.** If a tree is set upon by a horde of insects before midsummer, the situation is serious and demands immediate attention.

On the other hand, most trees

complete their principal growth before the middle of July—sometimes by the Fourth—after which the swarms of caterpillars or beetles will be eating old leaves that have already done their year's work. The damage then is much less serious than partial defoliation in June.

Fortunately, a good many of the spectacular devastations which occur and which worry the homeowner tremendously are these same comparatively innocuous late summer and fall invasions.

However, good garden practice reveals that trees should be kept free of pests no matter what season it be.

5.—**DISEASE.** Damage by fungus or bacterial diseases occurs mainly in early summer. This damage can usually (but not always) be observed at that time.

Some attacks can be checked by spraying, though generally it is too late by the time the amateur finds out what ails his trees. Spraying is after all, mainly a preventive rather than a remedial measure.

THESE TWO INSPECTIONS may not disclose anything very serious, but they should in any event give the basis for the year's tree work. If they are carried out as conscientiously as they ought to be, they will anticipate all major troubles.

If little matters are attended to at the start, major troubles can be forestalled.

Now is the time for all good men to come to the aid of their Civilian Defense program — and the blood bank.

Red Cross S.O.S.! 300 Kit Bags Needed by July 1

An S.O.S. was sounded today by the Red Cross Production Committee in Walnut Creek.

Mrs. J. C. McGeehon, committee chairman, announced that an emergency call has come for 300 kit bags to be completed and delivered to the Pacific Area office in San Francisco by July 1.

This is in addition to an increased quota of articles for normal hospital use.

Work may be done at home, Mrs. McGeehon said. She is in the Mt. Diablo Chapter's workroom at 1607 Locust Street on Monday and Wednesday afternoons. And she can be reached at home by telephoning Walnut Creek 2752.

School Superintendents In Meeting at Acalanes

School superintendents of the Bay Area including San Francisco, Alameda, Contra Costa and parts of Solano County, met yesterday afternoon at Acalanes for a general conference on common education problems.

Following the conference a special dinner was held at El Nido by the school administrators in honor of John Altucker, Vallejo superintendent who is retiring at the end of this year.

AVAILABLE TO PUBLIC

Only 13 1/2 per cent of California's 1,130 miles of coastline is owned by city, county and state agencies, and is available to the public for recreational purposes, reports the Wildlife Conservation Board.

Fashion Food, Fun Fiesta Ingredients

Fashions, food and fun—things dear to the hearts of all women—will be the basic ingredients of the "Fall Fiesta" of the Santa Maria Catholic Women's Club of Orinda on September 29.

Selected as site for the affair is St. Mary's College at Moraga, its Spanish architecture to lend authentic background for festivities geared to a colorful "Fiesta" mood.

More than a score of club members are busy arranging details of the show, which has been planned to interest women of all ages. Heading this group is Mrs. F. D. Courneen, who has named Mrs. Joe Orland as her co-chairman.

Other committee members include: Mrs. Roy Niosi, Mrs. John Stahl, Mrs. Leo Orland and Mrs. Robert Boyle, tickets; Mrs. Charles Malone and Mrs. Harold Libbey, decorations; Mrs. George Courtney, entertainment; Mrs. Dean Lippi, Mrs. Lonie Bee and Mrs. John Boyen, models; Mrs. Jasper Allara, music; Mrs. Gerald Bonnington, ushers, and Mrs. Duane Neuen-schwander, publicity.

Tickets for the luncheon-fashion show may be procured from club members, and by calling Mrs. Roy Niosi at Orinda 8105.

U.W.F. Rummage Sale Next Week

Six Intermediate Girl Scout Troops To Close Program with Court of Honor

Six Intermediate Girl Scout Troops of the Orinda Union School District will close their year's program with a joint Court of Honor tonight at the Orinda Union School auditorium, 7:30.

Announcer will be Scout Donna Jamison, chosen from Troop 39 after completion of its radio badge.

A parade of scouts will demonstrate appropriate dress for scouting activities, introduced by Mrs. L. B. Ambler, leader of Troop 35. Mrs. James Hupp will accompany at the piano.

Mrs. Donald Krotz, first vice-president of the Diablo Valley Area Girl Scout Council, will award long term service pins.

Troop 46, having earned the troop dramatics badge under the coaching of Mrs. Stephen Jensen, will present a short skit.

Each troop will be represented by one girl in the color guard. After the flag salute the Girl Scout

candle service will be conducted by Troop 46, Mrs. John Gompertz, leader.

Mrs. Vernon Axelson, Orinda District chairman, will open the court of awards and each leader will present to the members of her troop badges earned during the past year.

Leaders are Mrs. M. W. Nickerson, Troop 47; Mrs. John Gompertz, Troop 46; Mrs. R. Metzgar, Troop 39; Mrs. L. B. Boyer, Troop 45, and Mrs. L. B. Ambler, Troop 35.

Frank Isola, physical education director, representing Joseph Sheaff, superintendent of Orinda School District, will present First Class and Curved Bar Awards.

As incoming district chairman Mrs. John Gompertz will close the Court of Awards which will be followed by the girls singing Taps.

On display in the auditorium will be exhibits of work of each of the six troops.

McFarland Says No Site Talks Yet

(Continued from Page 1)

That stymied any sale," he said. (Last June, in an interview by the SUN, McFarland stated that the first portion of the utility district's Orinda area land was expected to be offered for sale within "a matter of days or a very short time," but admitted the situation was complicated by the condemnation suit.)

SINCE THEN, E.B.M.U.D. has been conducting extended negotiations concerning two other large sections—the Wildcat Canyon property of some 2,500 acres and the Grass Valley property, McFarland said.

Sale of neither has been consummated, although the East Bay Regional Parks are interested in the Grass Valley land. Talks about Wildcat Canyon land were conducted with the city of Richmond, but the City Council did not agree to a purchase, so E.B.M.U.D. is now talking to other interested groups.

It has been only in the past month that the Acalanes High School District has called off its condemnation suit, McFarland pointed out, adding:

"UP TO THIS TIME we have not completed our appraisal and have carried on negotiations with nobody." He later qualified that statement by mentioning the negotiations with the Orinda School Board and the St. Stephen's and Santa Maria Churches.

"We have had many requests," he reported. "All have been put in our files, and all questioners have been informed that they will be given an opportunity when the appraisal is completed and the land is offered for public sale."

"We are anxious to merchandise the area for the best interests of the community," he stressed. UNDERWOOD SUGGESTED: "Now is the time to give the matter some consideration. We should have some sort of planning committee which could develop a sort of master plan for submission to the Board of Supervisors."

"Would the district be willing to work with such a group or to accept suggestions?" Montgomery asked McFarland.

"We would," McFarland answered, "but the time would come when somebody would have to make a decision, and, obviously, it would have to be us."

"We're interested in making as favorable a sale as possible."

"HAVE YOU PLACED an estimate on the land as yet?" inquired Montgomery.

"No, we have not," replied McFarland.

Cinderella Ball Set for Tomorrow

"Cinderella's Ball" and the Senior Ball will be synonymous tomorrow night, when the senior class will resurrect the fairy tale atmosphere for its annual dance at the Acalanes High School gym.

Henry Gallagher and his orchestra will supply dance music and there are rumors of pumpkin coach, glass slipper, prince's castle and other excerpts from the story, carrying out the decor.

The traditional Senior Waltz will be a feature of the evening, at which a special chime will announce the magic hour of midnight, according to Carola Courtwright, school social secretary.

Janet Chantler is chairman of decorations, with Dianna Graves, senior class social secretary, and other members of the graduating class cooperating to make it a memorable event.

Wins Skating Event

Suzanne Gien won third place in the state and regional roller skating competition in the dancing event. This means she will compete in the national event to be held in Cleveland sometime in July.

To South America

Mr. and Mrs. Raymond V. Winquist of Orinda sailed recently from New Orleans aboard the Delta Line liner Del Norte for an extended South American business and pleasure trip. They will fly to Chile and Argentina from Brazil and return here by air.

McFarland added, "We'd be very happy to receive any suggestions."

"Would the East Bay Municipal Utility District let us know of any decision before acting?" Cayting asked.

Smilingly, McFarland said, "We would—at least once."

AT THIS POINT WAGNER interjected: "If your committee will work with us, you'll know what's going on. We'll be glad to work with you if we work together."

Formation of the committee followed, with Montgomery naming the Civic Affairs members of it and asking McFarland and Wagner if they would serve on it. The two E.B.M.U.D. officials agreed to do so, and Wagner promised to bring contour maps of the area with him when the committee meets.

Do you realize how much it costs when you drive through the tunnel to shop?

CALENDAR OF EVENTS

FRIDAY, MAY 25

Clipper Club. Shipmates, home of Ralph Phelps, 6 Oak Lane, 8 p.m.

Santa Maria Church, children's choir practice, at the church, 3:30 to 4:30 p.m.

Orinda Girl Scout Court of Awards, Orinda Grammar School auditorium, 7:30 p.m.

Hill and Dale, formal dinner-dance, Orinda Country Club; cocktails at 7:30 p.m., dinner at 9 p.m.

SATURDAY, MAY 26

Teatro para Ninos, Orinda Grammar School, 1 to 3 p.m.

Moraga Woodlands Association, barbecue and dance, Carroll's Ranch, 7 p.m.

Seafarers, potluck supper, home of A. W. Elkinton, 11 Honey Hill Road, 6 p.m.

Senior Ball, Acalanes High School, evening.

SUNDAY, MAY 27

Services at Orinda Community, St. Stephen's Episcopal, Santa Maria and Christian Science Churches. Pilgrim Fellowship, Orinda Community Church, 7 p.m.

MONDAY, MAY 28

Orinda Association, Board of Directors, Orinda Grammar School, 7:30 p.m.

TUESDAY, MAY 29

Boy Scout Troop 207, Scout Hut, 7:30 p.m.

WEDNESDAY, MAY 30

Memorial Day.

THURSDAY, MAY 31

Boy Scout Troop 200, Scout Hut, 7:30 p.m.

Contra Costa Real Estate Board, Acapulco, Lafayette.

FRIDAY, JUNE 1

Cub Pack 32, Orinda School, 7:30 p.m.

Pack 52 Leads In Cub League

Pack 52 is now in undisputed first place in the Diablo Valley Baseball League.

Pack 52 defeated Alamo pack 40 to 2 May 19. Pack 58 of Pleasant Hill was defeated by the Ygnacio Valley pack. Pack 52 has eight wins chalked up with no defeats.

The game Saturday will be held at the Orinda School field instead of at Glorietta. The game will be with Pack 58 of Pleasant Hill at 10 a.m. This promises to be the game of the season as 58 has only been beaten once.

There is a make-up game with Pack 59 scheduled at 10 a.m. Decoration Day at Orinda School.

The annual Cub picnic has been tentatively scheduled for June 9 at Acalanes High.

Kenneth Gelwix Wins Honor at Polytechnic

Kennet Gelwix, son of Mr. and Mrs. Kenneth Gelwix, 6 Mira Loma, was among four Contra Costa students at California State Polytechnic to achieve the president's honor roll during the winter quarter.

Don't burn without a permit.

Frank McMillan On Business Trip To Amsterdam

Frank M. McMillan of 8 Hall Drive, after a business trip east, boarded the Ile de France for Europe last week to attend the Third World Petroleum Congress, which starts May 28 at Amsterdam.

A chemist with Shell Development Company, Emeryville, McMillan has been active in research on synthetic rubber and related petroleum-derived materials. He plans to visit Shell installations in Great Britain and the Netherlands before flying back to California.

Scouts of Troop 207 Hosts to Lions; 'Seeing-Eye' Dog Project Discussed

Boy Scouts of Orinda Troop 207 entertained their sponsors, the Lions Club of Orinda, at a dinner Wednesday evening at the Community Church.

Over 200 members and friends of the troop attended the affair, which served to introduce the fine project in which the scouts are engaged. The boys are working diligently to raise funds in order that they may contribute to the welfare of some blind person by financing the training of a "Seeing-Eye dog."

ALREADY OVER \$200 has been raised, in the recent paper drive. The cost of the training of a "Seeing-Eye dog" is \$1,400 which the scouts are hoping to raise by their own efforts.

The boys will have the opportunity of naming the dog that they will finance, according to Scoutmaster T. G. Cullen.

During the dinner, training of dogs for the blind was explained by a trainer of these dogs and by a blind San Francisco veteran, Lloyd Henderson, and his Seeing-Eye dog, "Tinka."

THE PARTY ALSO served as a "kick-off" dinner for the sale of tickets by the scouts and Lions for Orinda night at Oakland ball park June 8. This sponsored night with the Oaks is also a way for the scouts to raise funds for their project of the Seeing-Eye dog.

Each member of Troop 207 invited as his guest for Wednesday evening one member of the Lions Club and his wife, and also the scout's own mother and father.

C. R. Nelson Goes to Europe

C. R. Nelson of 10 Orchard Court is en route to Europe. Nelson, who is head of the Chemical Engineering Applications Department at Shell Development Company, Emeryville, will help to start up a huge new synthetic alcohol plant at Grangemouth, Scotland. He also plans to visit Shell installations in England and the Netherlands before returning home.

St. Stephens Has New Schedule

Dr. Frederick A. Schilling of St. Stephens, Orinda, announced beginning June 3 the 11 o'clock service will be dropped for the duration of the summer. Regular services will be held at 9:30 instead.

However on June 3, inasmuch as it is the first Sunday of the month, plain communion will be held at 8:30 as well as holy communion with sermon at 9:30. Thereafter the 8:30 plain communion service will be suspended for the remainder of the summer.

The box supper party held last Friday was well attended and enjoyed by everyone. There are already requests for a repeat performance in the near future. The Women's Auxiliary Board wishes to publicly thank Mr. and Mrs. Robert Moorehead at whose home the affair was held.

Mrs. Ida Zamloch, head of the newly formed Visiting Committee of St. Stephens has announced the following will serve on her committee: Mesdames James M. Buxton, W. H. Pickton, William C. Hagens, T. E. Haley and H. S. Doane.

Last Sunday morning Dr. Schilling started the training of a class of acolytes including Dexter Wold, George Harrison, Carl and Nathan Lincoln and Graham Thatcher.

New Residents

New Orinda residents are Mr. and Mrs. R. M. Josef of Charles Hill Road, who moved here recently from St. Helena with their two young sons, Stephen and Paul.

ORINDA CHILDREN'S ART CENTER had occasion to be proud and humble last Friday afternoon and evening. It held an exhibit of the children's art work at the home of Mrs. T. M. Harner on Oaks Circle. The pieces on display caused understandable feelings of pride by sponsors and parents. But the ages-old, inspiring mystery of art made guests feel humble. Neither proud nor humble, but just happy girls who are students of the Art Center, are these three—left to right, Dianne Gravatt, Ann Sparling and Marilee Harner.

Simple as watering THIS NEW WAY TO FERTILIZE GARDENS

New miracle plant food, ORTHO-GRO, easy to apply with watering can or garden hose—complete fertilizer for flowers, vegetables, lawns, trees and shrubs.

Would you like to do practically all your fertilizing with just one miracle liquid plant food? And at the same time, would you like to be sure you were fertilizing everything properly, without danger of burning plants, shrubs, trees or lawn from over-dosage? Then ORTHO-GRO, containing organic fish is for you—the new fertilizer you simply sprinkle on!

Convenient—Pour ORTHO-GRO in your LAWN SPRAYER. Connect to your hose. Turn on the faucet. Correct dilution is automatic at any water pressure. See directions on LAWN SPRAYER bottle.

Many Uses—ORTHO-GRO works its magic on lawns, shrubs, flowers and garden plants—ideal for both acid and alkali loving plants. Contains all the needed ingredients.

Quick Results—Being a liquid, ORTHO-GRO's nutrients are absorbed directly by plant systems for quick, lasting results.

High Safety—Gone is the danger of burned grass roots or foliage. ORTHO-GRO Liquid Plant Food can be used anywhere in your garden—anytime something needs fertilizing. See label for directions.

Thrifty—A little ORTHO-GRO goes a long way—no waste. 1 quart makes up to 80 gallons of fertilizer.

Ends Guessing—No mixing or stirring. ORTHO-GRO is a liquid, ready to use. Correct dilution is automatic when used with LAWN SPRAYER.

Saves Time—You fertilize with ORTHO-GRO in minutes where you may have spent hours before.

ORTHO-GRO Liquid Plant Food—the only fertilizer your garden needs—all season long!

LAWN SPRAYER—for easy application of ORTHO-GRO Liquid Plant Food to lawns.

Chit and Chat about Don and Donna

By MARY THIES

I DON'T KNOW whether you realize it or not (you probably have been counting the days for months), but there are only 14 more school days left!

Although just about everybody is busy working on term reports and catching up on back home work, most people seem to have found time for other activities.

A FEW WEEKS AGO there was a Fashion Show at the Mt. Diablo Country Club sponsored by the Mt. Diablo Therapy Center. Some of the Acalanes girls who modeled in this show were Maggie and Pat Zamlock, Ellen Johnston, Naomi Pettengill, Nancy Wise, Janet Morris, Paula Cory and Bobbie Benetts.

I once mentioned in my column about the beginning of the Daphne Branch of the East Bay Children's Hospital. This group is sponsoring a dance and I hope it will be a big success. The girls who are in this group deserve a lot of praise for the worthwhile job they are doing.

The Junior Assistance League of Piedmont High recently gave a fashion show and tea. A few of the many girls attending from Acalanes were Lynn Sellman, Marianne Summers, Judy Johnson, Lesley Heche, Terry Probert, Catherine Monroe and Judy Hall.

Last week the Modern Dance Group, Mixed Chorus and Girls' Chorus gave the annual Spring Festival. The dance group gave a wonderful presentation of Joan of Arc.

A few of the girls participating were Shirley Daniels, Peggy Everest, Lois Galbraith, Janet Jansse, Leslie Heche, Janet Chantler, Carola Courtright, Sally Fleager and Judy Hall.

AT A RECENT PARTY given by Ann Rolands the following Orinda couples were seen: Sven Groennings and Carol Rassigne, Bob Keller and Renon Hagens, Tom Tilton and Ann Hawksworth and Bill Matheson with Jayne Kirk.

Well, tomorrow night is the big night—the night of the senior ball. All the girls are worrying about their dresses, flowers, etc., while the boys are wondering where to get some more money! I'm sure everybody who attends this dance will have a wonderful time.

Mike Klement, who is running for vice-president, is a junior and is president of the Spanish Honorary Society. Besides being very interested in sports he has also worked on the Junior-Senior Banquet. This concludes my previews of candidates for student body offices. Good luck to everybody who is running!

AT THE PARTY given at Maggie Zamlock's last Saturday the following girls attended: Barbara Benetts, Peggy Connell, Ann Summers, Carola Courtright, Pat Schol-in, Shirley Daniels, Joan Hughett and Ellen Johnston.

Berkeley has attracted many Orinda kids. eKn Ernst, Ted Sanford and Dave Barrous were seen at the Viking dance.

Here's hoping you all don't get too sunburned and don't drown when you invade the local pools. I'll be back next week with some news of who is going where during the summer months.

Now is the time for all good men to come to the aid of their Civilian Defense program — and the blood bank.

Brownies Have Fly-Up Ceremony

Brownie Scout Troop 58 gathered at the home of Mary Caroline Foster, daughter of Mr. and Mrs. William Foster, May 15 for the Fly-Up ceremony marking promotion from Brownies to the Intermediate Girl Scout program.

Against the colorful setting of the family study the program was opened by Mrs. John Parker who had invested these same girls as Brownies three years ago. A delightful talk on scouting was given by Rev. Fred Morrow.

Mrs. Edgar Slusser was introduced to the scouts and their parents by Mrs. Parker. Mrs. Slusser will be the leader of Troop 58 during intermediate scouting.

THE AMERICAN FLAG was presented by Sally Stewart and the pledge of allegiance was recited followed by "America, The Beautiful." Jinny Matey asked the girl to give their Brownie promise for the last time. Myrre Decker then turned over the Brownie flag to third grade Brownie Cindy Rasmussen of Troop 32.

Having been trained and passed in their tenderfoot requirements by Heather Ambler and Joanne Ross of Girl Scout Troop 35, the girls reviewed the scout laws and promise by carrying out a most impressive candle lighting ceremony.

EACH GIRL saluted her new leader. Mrs. Slusser and Mrs. Parker handed her the Brownie Wings. Each mother came forward and pinned the tenderfoot pin on her daughter's uniform.

The Girl Scout promise was said as Mary Caroline Foster brought in the Girl Scout flag.

REV. MORROW closed the ceremony with a prayer.

As Mrs. R. T. Hoyer announced a surprise was forthcoming the girls suddenly dashed out of the

room, returning with gifts and cards of appreciate to their leaders of the past three years—Mrs. Robert Elder, Mrs. George Matey and Mrs. Edgar Stewart.

Refreshments were served by Mrs. W. Lancione, Mrs. R. B. Miner and Mrs. W. Wilke.

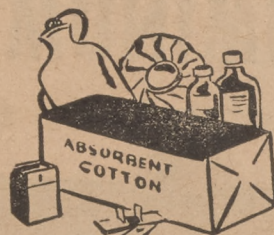

Shirley Temple On Saturday Bill

Teatro para Ninos presents for Saturday "Rebecca of Sunnybrook Farm" with Shirley Temple, at the Orinda School auditorium from 1 until 3. All children are welcome.

Now is the time for all good men to come to the aid of their Civilian Defense program — and the blood bank.

Hi-Lites on Hi-Life

LAST FRIDAY EVENING people from Lafayette, Orinda, Walnut Creek, and other points, came to the Acalanes Spring Dance and Music Festival.

This free production was well worth seeing. The Modern Dance Group, Mixed Chorus and Girls' Chorus did a splendid job in making this Spring Festival a memorable one.

The Spring Festival, however, didn't seem quite good enough for some individuals who went into Berkeley and saw "Our Town" by Thornton Wilder, a graduate of Berkeley High and a Pulitzer Prize winner.

There was some talk of out Senior play being given but a little too adultish. Their Senior play was more serious and more profound than ours; it also was much more elaborately given in the beautiful Berkeley High Community Theater.

THE C. S. F. PICNIC that was scheduled recently was postponed to an undisclosed date and for an undisclosed reason.

Huh? Anyone who can figure this one out deserves to be on C. S. F. regardless of his grades!

THE FOLLOWING VERSE was submitted to us, and we will pass it along to you because we think that it's funny and true at the same time.

If a girl walks, she's a pickup.
If she drives, she's a wheel.
If she doesn't drive, she stays at home.

If she stays at home, she's a dead-head.

If she gets good grades, she's a brain.

If she doesn't, she's a nitwit.

If she peroxides her hair, she's cheap.

If she doesn't, she's outmoded.

If she watches swimming practice, she's a flirt.

If she doesn't, she hasn't any school spirit.

If she accepts late dates, she's not choosy.

If she doesn't, she's playing hard to get.

If she dances with lower class-

men, she's robbing the cradle.
If she doesn't, she's a snob.
If she lengthens her skirts, she's a killjoy.

If she doesn't, she's out of style.

If she dates out of town boys, she's too good for the local Joes.

If she doesn't, she stays at home because the local Joes are too good for her.

If she gripes about the whole mess, the boys laugh at her.

The Senior girls find life tough.

RECENTLY we talked about some lost dogs in Orinda. We didn't expect such quick response.

It just shows how fast our appeal will circulate, because two days before it was issued, all three of the dogs had been found!

THIS WEEKEND will be quite a weekend to remember, especially for the Seniors.

This Friday is Senior ditch day, and Carmel is the rendezvous.

Saturday, quite a few Seniors take the Subject A test at Cal's Wheeler Hall.

Then that same evening is the biggest social event of the year—the Senior Ball.

Sunday, instead of resting, there are several private parties scheduled.

Whew!

Traffic Signs for Buena Vista School

Traffic signs for hazardous street crossings near Buena Vista School have been promised by Supervisor Ray S. Taylor at the request of the Buena Vista Parent-Teachers Association.

TALK BY FRANCESCA JOY

The Social and Mental Development of the Normal Child was the subject of a talk given by Miss Francesca Joy, M. A. when she spoke at the monthly meeting of the Walnut Creek Branch of the American Association of University Women at the Parrish Hall of St. Paul's Episcopal Church recently.

Will you be killed tomorrow? Drive very carefully.

318,000 DEER HUNTERS

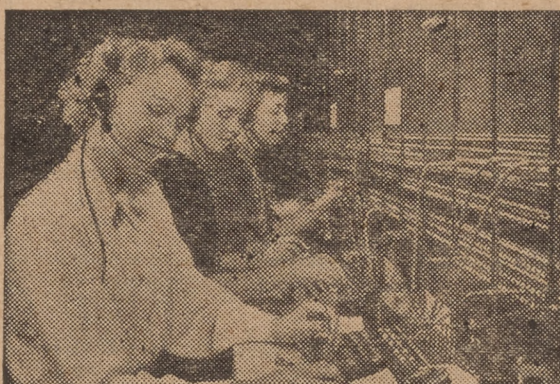

There were slightly more than 318,000 licensed deer hunters afield during California's 1950 hunting seasons, it is revealed by a tally of deer tags sold by the Bureau of Licenses, Division of Fish and Game.

Re-routing Long Distance circuits—one of the many interesting, vital jobs for women in the telephone business.

THE GIRLS BEHIND EACH TELEPHONE "HELLO"

Theirs are important jobs—and they do them well

1. Here's one business where the spotlight's really on women. Because of the nature of telephone work, nearly two out of every three telephone people are women—a high percentage. And they must be capable, well-trained women to handle your calls efficiently and serve you well in our offices. We train them, at our expense of course. And they earn good money in this important work.

3. It would be hard to imagine work for women today more important than a job in our nation's telephone service. For now, more than ever, our country needs swift, reliable communications to help speed the job of defense. And it's reassuring to know that in these days of high prices on most everything, you still get a bargain when you buy telephone service. Here in the West, on the average, telephone rates are up less than half as much as the cost of living.

2. Practically every sort of job—from accounting to teaching—can be found in our business. In addition to good pay, the girls have the security of the company-paid Benefit Plan and enjoy holidays and vacations with pay. All know they have a good chance to advance as their ability grows. Perhaps the best evidence of the importance of women to us is that hundreds have management jobs.

Price increases since 1940

FOOD UP 138%

Seven Teams Will Battle for Title; Plan Ceremony

The Walnut Creek Softball Association opens official League play next Monday night when Tiny's Hut meets up with the Walnut Creek Legion nine in a seven inning affair slated to start at 8:30.

Eight night's festivities, however, commence at 7:45 with an impressive opening ceremony.

Games are scheduled for every night of the week during the softball season with two games a night. The opening game is scheduled for 7:30 p.m. with an 8:45 p.m. time limit while the second game starts at 9:00 p.m. and has a time limit of 10:15 p.m.

The schedule involves seven league teams with managers as follows: Tiny's Hut, Les Lloyd; W. C. Legion, Joe Coppa; W. C. Merchants, Ade Gensoul; Veterans Foreign Wars, Ray Robb; National Guard, Claude Macolm; Sun Valley, Floyd Burror and Della Pippas with Carl Duca.

A girls team known as the Walnut Creek Merchant Maids will play throughout the summer in a series of exhibition games which are set as the second game on Thursdays.

Les Lloyd is president of the league as well as Commissioner of Softball for Contra Costa County, and is aided by Hec Miles as vice president, Dick Hinkson secretary and Elmer Hansen who holds office in the capacity of treasurer.

On the basis of showings to date Tiny's Hut appears to be the pre-season favorite. They are defending champions, having won the title the past two seasons and four out of six years since the league's inception.

Harry Dunham, the Lafayette flash, appears to be in for another good year and will give Tiny's top-flight pitching, essential to championship play.

The W. C. Merchants with Art Heasel and Pete Deis doing the throwing appear to be top contenders with the Veterans of Foreign Wars not too far behind with John Hensen on the mound.

The W. C. Legion appears to be the dark horse with Gus Teichera and a lad with the last name of Gerola ready to do the underhand tossing.

The National Guard has Jack Ogden as a starter in the throwing department and Sun Valley has two better than average throwers in Holstrum and Paul Woods.

Della Pippa is a Martinez entry in the league and has a number of available pitchers with Tony Machado and Gus Donaldson appearing to be the best of the lot.

Sun Valley and Veteran of Foreign Wars are still completing rosters and little is known concerning their real strength. Both can be depended on to come up with their share of surprises once league play is under way.

The Walnut Creek Merchant Maids could well be in the winners circle often with a daughter - mother pitching - catching combination.

Janice (Lloyd) Balbi will do the mound duty with Mrs. Les Lloyd doing the behind the mask duty. County championship play time could find them in top billing having already defeated last year's champs in a practice game this year.

The schedule for the remainder of the week is as follows:

Tues., May 29 - Sun Valley - W. C. Merchants; V.F.W. - Exhibition.

Wed., May 30 - No games.

Thurs., May 31 - Tiny's Hut

Lafayette Legion Slashes Piedmont In 19-2 Walloper

The Lafayette Legion nine made it four wins in a row as they hit, ran and fielded their way to an impressive 19-2 win over a willing but hapless Piedmont team.

The game was played on the Acalanes diamond Wednesday afternoon.

THE LEGION TRAILED 1-0 at the start of the second inning, but Jim Davis belted a single with two on to score Dick Davis and John Champlain, making it 2-1.

From there on out the issue was never in doubt.

THE LAFAYETTE CLUB registered four runs on three hits in the third and crossed the plate 10 times in the fifth, when everybody but the umpire came to bat as a combination of hits, walks and errors turned the base paths into a merry-go-round.

Three in the sixth made a grand total of 19, while Piedmont found the pickings slim as John Olcott scattered four hits and struck out six while going the route.

JOHN CHAMPLAIN hit a home run in the third with the bags loaded and added two singles, giving him a perfect day at bat in addition to a base on balls.

Lafayette Beats Pleasant Hill In 6-1 Encounter

The Lafayette Junior Legion nine played some top-rate ball which, along with one-hit pitching by the combined efforts of Rick Johnson and John Olcott, resulted in a 6-1 win over Pleasant Hill last week.

The Lafayette tallies came in twos, with the first, third and sixth innings being the big ones, while Pleasant Hill registered its lone run in the fifth as the result of an overthrow.

Next game is scheduled for today at 5:30 p.m. against the Antioch team in a twilight game on the Acalanes diamond.

Counseling Tests Given at Schools

In anticipation of better serving the increased number of students who plan to enter East Contra Costa Junior College next September, a battery of counseling tests will be administered in each of the high schools in the eastern part of the county at specified times between now and June 2, college authorities announce.

Each of the eight high schools will designate a specified time for seniors and others in the community to take such tests, and will make local announcements concerning the specific date.

"The purpose of the test is not to determine whether or not students may be admitted to the college," said Leland L. Medsker, director, "but rather to provide information which will assist the students and the counselors in determining the best educational program for each person."

The test information will become available to college counselors, who will use it in the registration process next September.

tion.

Canyon Callings . . .

A goodly number of the men of the Redwood Heights Road Association turned out last Saturday for road patching. Rolling of the black top was done with a roller specially constructed for the job by Bob Atkinson.

There is now a white dividing line on the lower road, painted by Clyde Engle. He also painted a white line and "STOP" at the dangerous intersection by the store.

ONLY 40 PER CENT of Canyon registered voters turned out for school board election last Tuesday.

NEWLY ELECTED officers of Canyon Women's Club were guests of outgoing officers at a luncheon last week at the home of Mrs. Bob O'Neil.

Guest of honor was Mrs. Bill Blaskovich, who, with her sons, Bill and Tim, will soon leave Canyon to join her husband in Butte, Montana, where he has established a Ford dealership.

MR. AND MRS. ALLEN CRAWFORD attended the Lions Convention at Hoberg's in Lake County recently. While there Mrs. Crawford received an unexpected surprise—she broke out with German measles.

Cub flags were presented to Cub Pack 57 by President Dick Knipe at the meeting of the Civic Club last week. Thereafter the Cubs, their leaders and parents proceeded to Canyon School, where, after a short business meeting, movies were shown by Committeeman Allen Crawford.

Crawford also told the boys they would be guests of the Berkeley YMCA this Sunday afternoon.

Because of conflicting activities, the Canyon-Moraga Cub-Mother softball game, scheduled originally

for last Sunday, will be held Sunday, June 3, at Canyon School playground. It will be a "slaughter," as the kids are all in practice and will have completed the present Cub League series while some mothers admit to never having played ball.

NATURE NOTE: Notice how many hawks (or buzzards) have been hovering over the skys of Canyon lately? Hmmm! One was seen carrying a large wiggling snake in its claws—another being dive-bombed by a flock of swallows.

BUDDY SEEDS' absence from school has him all swelled up—he's got the mumps.

Tim and Patsy Crawford, with Denny and Doty Shally, had their first try at ice skating last Saturday night after seeing a hockey game, sponsored by the Berkeley Lions, at Berkeley Ice Land.

Canyon Blue Birds, with their leaders, will attend the Blue Bird Frolic at Lakeside Park in Oakland on June 2.

Squawks for help from their lone chicken a recent night aroused the Harry Rices—and the neighbors. They found an oversize 'coon determined to deprive them of their Sunday dinner.

After two visitations by the midnight prowler, the chicken spent the rest of the night in company with the rabbits. But its claim to life was of short duration—it was into the frying pan from out of the "conflagration."

Get your jeans and cottons readied for the big "Farm Dance" at the Redwood Inn Hall on June 9. There will be a humdinger of an orchestra, eats and drinks (soft) for sale at the Bar-n, and favors. And you may hear our famous five-man quartet.

Softball League Opener Monday Points Way To Competition by Three Towns

By ERWIN MATTSON

SOFTBALL FANS are eagerly awaiting the opening of the Walnut Creek Softball League next Monday, when last year's champions, Tiny's Hut, opens against the Walnut Creek Legion.

Softball has become a very popular sport with players and spectators alike, and much of the credit for the interest goes to the park facilities, which are as good as any in the Bay Area and far better than most.

Walnut Creek has gone a long way forward in developing its City Park, and it is to be hoped that Lafayette and Orinda will see fit to do the same in the not too distant future.

A league with the three towns involved, and each with good facilities, would make for keen competition, furnish activity for a large number of players and, in addition, entertainment for an even greater number of spectators.

The longer Lafayette and Orinda wait, the more it will cost in the end, and the time is not too far distant when something will have to be done.

Play is not a luxury but, rather, a necessity, particularly in this day of hurry and worry.

ONE OF THE discussions that often take place regarding softball is its effect on a hardball player.

The main thing, as far as I am concerned, is not to mix the two if one wants to do serious playing in either.

A hitter in hardball of necessity handles a bat and takes a stance far its affect on a hardball player.

Going from softball to hardball or the other way around finds a player having to make a number of adjustments.

A player may be a top hardball hitter yet do poorly at softball if he is unable to adjust his swing.

STATISTICS TEND to show that good softball pitching is probably harder to hit than hardball.

The pitcher is closer and top flight throwers develop terrific speed and get a surprising lot of "stuff" on the ball.

ONE OF THE REASONS for the popularity of softball is the speed of the game and the fact that lighting requirements are such that they can become available to most communities, whereas hardball lighting costs are prohibitive.

Most parks are underlighted, and as a result it is a pitcher's delight, with a large number of strikeouts.

Spencer, Dippo Randall Win in Camera Contest

Contra Costa Camera Club met at Orinda Community Church Tuesday night. After a business session, the black and white prints and color prints were judged by members.

Judge for the evening was Herman Bryant, former chief photographer for the San Francisco News, who gave a very interesting talk on his newspaper experiences. Refreshments were served.

Winners for the evening were: Advanced Class: 1st, Guy Spencer; 2nd, Dr. Arthur Beede; 3rd, Jack Davis; 4th, C. P. MacVicker; 5th, Wes Rhoades.

Salon Division: 1st, Ben Randall; 2nd, Challise Gore; 3rd, Ben Randall.

Color: 1st, Bud Dippo; 2nd, Jack Davis; 3rd, Ed Nelson.

Honorable mention went to Ben Randall for both fourth and fifth place in the color division.

Next meeting of the Contra Costa Camera Club will be June 12. All interested in photography—either black and white or color, and especially beginners—will be very welcome, and are urged to come to a few meetings and get in on the fun.

For information call Bud Dippo at the Orinda Camera Store, or the Camera Store in Walnut Creek.

Pirates Edge Dons in Final Game, 6 to 5

Pittsburg's Pirates managed to the undefeated class last Friday afternoon when they scraped by with a 6-5 win over the Acalanes Dons after trailing throughout the game.

The game, played at Pittsburg, found the Dons combining two hits and three bases on balls, along with a hit batter, to score two runs early in the contest. In the process they sent Pitt's starting pitcher, Piombo, to the showers.

THE ACALANES NINE added two more on two hits in the fifth. Bob Westlund added number five in the sixth, when he singled and came home on an overthrow to first by Bill Trap, Pittsburg's catcher.

Bob Borghesani started on the mound and had things well in hand until the final two innings, allowing but one run on two safeties in the third.

Trailing 4 to 1 in the fifth, the Pittsburg club tallied once on four infield hits to make it 4-3 in Acalanes' favor.

THE DONS CAME back in the sixth with Westlund's run, only to have Pittsburg tally three times in the fatal sixth to take a 6-5 lead.

This proved to be the ball game, as Pitt's shortstop, Al Glasper, came up with Bob Borghesani's liner over second base to make the third out.

The game marked finale to the 1951 season.

R. E. Pencovic Still At Fairchild AF Base

Technical Sergeant R. E. Pencovic is still stationed at Fairchild Army Air Force Base near Bong, Wash., where he is working as a periodical inspector on B-29's.

Recently he expected to be transferred to Chanute Field, Ill., but now that transfer is not expected until later. He is assigned to the 414th O. M. Squadron, 92nd Bomb Wing.

Junior Legion Storms Napa in 10-1 Trouncing

The Lafayette Junior Legion traveled to Napa last Sunday for a 10 a.m. game and proved that they went for more than the ride as they racked up their second win of the week 10-1.

Bob Borghesani was the leading hitter. He had three for four times at bat, and in addition did a bang-up job on the mound after taking over for John Olcott in the fourth.

OLCOTT DID a bit of nice throwing himself, shutting out the opposition over the three frames he worked while allowing but one hit and setting down six via the strike-out route.

Borghesani allowed two hits in the four innings he worked, while setting down seven on strikeouts.

THE LOCAL TEAM scored in the first, three in the third and added two in the fourth and one in the fifth.

Then the local lads proceeded to put the game on ice when they came home with three more in the seventh on consecutive singles by Alan Ruff, Bob Borghesani and Bart Ferro which paid off when George Fortado slammed a well-hit ball to left field for a double.

The Napa nine represented the De Molay, and plans to make a trip to Acalanes in the near future for a return engagement.

Jewish Families Plan Organization

Plans for a permanent organization of Central Contra Costa County Jewish families were discussed at an informal meeting and luncheon for Jewish women at the Diablo Country Club recently.

The luncheon also marked the closing, locally, of the drive for the United Jewish Welfare Fund with the presence of honor guest Mrs. Celia Grodin, chairman of the fund drive for Alameda and Contra Costa Counties. Mrs. Hilde Robinson, who presided, turned over to Mrs. Grodin contributions totaling \$800 collected in this area.

A committee was appointed to prepare by-laws and nominate officers for the proposed organization.

Mesdames Anne Abel, chairman, and Marcia Hoyt, Evelyn Rapporte, Selma Cohen, Margot Saemen, Bernice Deutcher, and Ruth Ross will serve on the committee, which will report to the group at the first regular meeting at 1:30 p. m., June 12 at the home of Mrs. Rosalyn Zuckerman, 231 Lakewood Road, Walnut Creek.

All Jewish women of Central Contra Costa are invited to attend. Further information may be obtained from Mrs. Hilde Robinson, W. C. 2759.

Local People Aid S.F. Opera Guild

Among local names on the roster of the San Francisco Opera Guild are those of Mrs. James Freeman of Orinda and Dr. and Mrs. Fletcher Taylor of Lafayette.

The Guild is now conducting its annual membership campaign, hoping to make a third opera performance at reduced prices available to students next autumn. One membership enables four children to attend an opera.

In addition to providing school children with an opportunity to see and hear opera, membership in the Opera Guild includes subscription to a national opera magazine, an invitation to a dress rehearsal of a regular dress performance and attendance at the yearly Opera Ball.

Guild chairman this year is Mrs. Robert Watt Miller, and the membership committee is headed by Mrs. Carl Livingston, East Bay chairman of the Guild is Mrs. Francis Bascom. The Guild maintains offices in the San Francisco Opera House.

Most Stores Will Be Closed Memorial Day

Most stores of this area will be closed next Wednesday, Memorial Day.

A Cappella Choir To Give Program Of Sacred Music

Dr. Henry Sheffoff, well-known East Bay baritone, will be guest soloist in a sacred music program to be presented by the A Cappella choir of Our Savior's Lutheran Church in Lafayette Sunday at 8 p.m.

Dr. Sheffoff's numbers will include compositions of Handel, Beethoven, Mendelssohn and Malotte. He will be accompanied by Esther Johnson of Berkeley.

The A Cappella choir of the church will be under the direction of Howard Harrisville, and the program will include a group of Bach chorales, sacred folk songs and Russian compositions of Tschakovsky, Bortniansky and Tschernokoff.

Members of the A Cappella choir include Mesdames Edmond Aszklar, Floyd Cowan, Howard Harrisville, Tonder Strand, Ralph Saxton, Edward Andersen, Luther Berven and Fred Dietz, and Messrs. Maynard Andersen, David Saenger, Robert Babcock, Fred Dietz and Abbott Roberts, and Dr. Harvey Lyon, Jr.

Refreshments will be served immediately following the program. The public is cordially invited to attend.

Sweet Adelines To Get Charter At Dinner Party

Final plans have been made for a big night in the history of the Diablo Chapter of Sweet Adelines, Inc.

Tomorrow night a dinner will be held at Spriggs Chicken House at which time the charter will be formally presented to Mrs. Dorothy Berne, organizer and president of the local Sweet Adelines, Chris McElravy, president of the Berkeley Chapter and regional reporter for the group, will make the presentation.

Feature of the evening will be musical numbers by the local dispensers of song and their guests from other Sweet Adeline Chapters and Men's Barbershop groups.

At present a membership drive is being conducted by the local chapter. Membership needs exist in all voice ranges. Real progress has been made under the direction of Vera Boyd, music teacher at Mt. Diablo High School, and who, because of her experience in musical fields, makes singing "Barbershop" a real pleasure. All women of the area are invited to join.

Now is the time for all good men to come to the aid of their Civilian Defense program — and the blood bank.

DR. HENRY SHEFFOFF
... to be guest soloist.

Hill and Dale Dance Tonight

Hill and Dale members and their guests will gather at Orinda Country Club tonight for cocktails and a gay formal dinner and dance.

This is an extra affair on the group's calendar, which ordinarily slates three dinner-dances for the year.

Mrs. N. S. Dodge, Jr., is in charge of member reservations for the event.

Cocktails will be served at 7:30, and dinner at 9.

NOT A BAD AVERAGE!

The reward for each day of fishing from party boats off the California coast during January was an average of seven and a-half fish for each sportsman, says the Division of Fish and Game.

Junior Horse Show On Sunday Afternoon

Sixth annual Junior Horse Show under the sponsorship of the Contra Costa County Horsemen's Association will be held Sunday at the Concord-Mt. Diablo Trail Ride Grounds.

Grand entry is scheduled for 12:30 p.m. Events, to start at 1, include:

Western Trail Horse Class (10 and under); cowgirl race (12-16), English Pleasure Class (16 and under), pole bending, Western Trail Horse Class (11-16, inclusive), cowboy race (12-16), calf roping (12-16), stake race, open stock (16 and under), musical chairs (16 and under) and open pig derby.

In addition to awards for the various special events, grand entry prizes will be given for best dressed juvenile cowboy, best dressed juvenile cowgirl and best matched pair.

SEAL SALE APPOINTMENTS

Appointment of Mrs. H. B. Keating as County Seal Sale chairman and John Griffen as Seal Sale publicity chairman has been announced by James D. Ryan, president of the Contra Costa Public Health Association.

To Feature Jory At Fund Tea

Featuring Victor Jory, noted star of stage, screen, radio and TV, the Women's Division of the United Jewish Welfare Fund will hold its Achievement Tea Monday at 2 p.m. in Covenant Hall of Temple Sinai, 28th and Webster Streets in Oakland.

The tea will mark the successful conclusion of the campaign to raise \$50,000 as its quota in the 1951 single appeal for Jewish needs, overseas, nationally and locally. The Women's Division brought in more pledges from the Jewish women in Alameda and Contra Costa Counties than last year.

Women's Division chairman in their communities are: Lafayette, Mrs. Percy Cohn; Orinda, Mrs. Lewis Rapoport, and Walnut Creek, Mrs. Robert Robinson.

DIESEL MECHANICS

The Board of U. S. Civil Service Examiners, Mare Island Naval Shipyard, Vallejo, has announced an open-competitive examination for diesel equipment mechanics at Mare Island Naval Shipyard and the Naval Magazine, Port Chicago.

Deadline for Classified Ads

Deadline for classified ads is 10 a.m. Wednesday. That's the time each week by which classified ads must be turned in so as to be sure of appearing in that week's Contra Costa Shopping News.

"Classifieds" turned in after 10 a.m. Wednesday and before noon are placed in the paper under the heading "Too Late to Classify."

(Next week, however, because of the Memorial Day holiday on Wednesday, these deadlines will be on Tuesday instead of Wednesday.)

There were 72 "For Sale" ads in last week's Classified Section! Take a look at this week's classified ads for many wonderful buys.

Couple Sets Date For June Wedding

A June 16 wedding is on the calendar for Margaret Carol Gauck and Curtis Baxter Harrison, son of Mr. and Mrs. Bradshaw Harrison of Via Floreado. Their engagement was announced earlier this spring.

The bride-to-be is a senior at the University of California where she is affiliated with the Masonic Club. She is the daughter of Mr. and Mrs. Friedrich O. Gauck of Vermont Avenue, Berkeley.

Curt, a senior at Davis, studied agricultural engineering previously on the Berkeley campus. He holds the rank of lieutenant, junior grade, in the Naval Reserve.

Peg Winters Will Present Recital

Mrs. Peg Winters will present a piano recital at the home of Mr. and Mrs. Phipps Rasmussen, 16 La Cintella, Sunday.

The following pupils will be presented: Heide von Guenther, Sandy Miller, Margie de Los, Ginny Matey, Karen Peterson, Patty Murphy, Joan Payne, Jerry Upson, Nancy Long, Natalie Pray, Judy Courtright, Sherry Rasmussen, Nancy St. Clair, Jayne Kirk and Allen Shapiro.

Happy Birthday to You

LINDA GRIMES

Linda Grimes celebrated her second birthday May 5. Her guests were: Kevin Kentfield, Jimmy Fuller, Michael McCormack, Patricia Baker, Barbara Stahl, Rory Reed.

KAREN PETERSON

Karen Peterson entertained at a luncheon followed by the show at the Orinda Theater May 5. The occasion was her tenth birthday and her guests were: Mary Ann Gardiner, Linda Lancioni, Roxene Huntley and Janet Lee.

WENDY HALL

Wendy Hall celebrated her second birthday May 5, with a party for cousins and family.

JIMMY BROCK

Jimmy Brock was three years old May 5. His guests at a lovely party were: Nancy Miller, Dwight DeWitt, Tommy Fitzsimmons, Mary Ann Rudeich and Ann McClaren.

NANCY GOEBEL'S

A peanut hunt, popping balloons and beans falling off a spatula caused lots of fun and excitement at Nancy Goebel's sixth birthday party May 5. Those joining in the fun were: Pamela Anderson, Leelee Anderson, Susan Kendall, Kristine Block, Valerie Renwick, Patty Gillivan, Laurel Rosenthal, Michaela Rosenthal, Cassandra Coates and Steven Wigman.

BARBARA COLE

Barbara Cole celebrated her sixth birthday with a party at school. After refreshments, the class enjoyed the fish pond game with prizes, a Maypole ribbon game and folk dancing.

LYNN LOVELAND

Lynn Loveland and eighteen of her girl friends celebrated her eighth birthday May 5. A ballet motive in shocking pink and chartruese was carried out with dancing dolls joined by ribbons as a centerpiece and ballet dolls on the candy cups. An exciting variation of an always-popular game was pin the eye on the ballet dancer—a bright blue star being the eye. Orinda juvenile magicians, Chuck Coburn and Harry Noller then delighted the girls with their feats of magic.

JANET HAWES

Janet Hawes had a circus party with clowns and balloons to celebrate her fourth birthday May 5. Movies were also enjoyed by the following: Vicky Brown, Gay Price, Tommy Unruh, Greg Crawshaw, Susan Miller and Dickie Miller.

HESTER HARRIS

Hester Harris celebrated her seventh birthday May 5 by taking her friends to Fairyland. There under the Sugar Plum Tree, refreshments were served, and then all the attractions of Fairyland were enjoyed. Her guests were: Nancy Handley, Susan Bonds, Nancy Turner, Linda Dourman, Nancy Henry, Kitty Mica, Nancy Vail, Marilyn McManus, Margaret Antonison, Nancy Eberhard and Rosemarie Nioi. Becky Harris and Patty Bonds went along to help out, but had lots of fun too.

TOMMY RODGERS

Tommy Rodgers brought his friends home on the school bus May 7 to help celebrate his seventh birthday. Ice cream cones and cup cakes were followed by movies and thoroughly enjoyed by: Jean Patton, Jean Abe, Holly Borden, Donna Stahl, Linet Trefts, Estelle Catalin, Linda van Sickle, Cheri Odenthal, Lee Carriers, Billy Young, Greg DeWitt, Steve Miller, Larry Hunn, Tommy Kisner and Ricky Collins.

JANE LOWMAN

Like pretty butterflies eleven little girls in party frocks gathered at Jane Lowman's home on Orinda Highway to celebrate her ninth birthday. They were Margaret Bodfish, Cindy Rasmussen, Patty Brown, Sandra Thurston, Janet Twining, Susan Kisner, Carolyn Cullens, Joan Borden, Sally Young, Carol Marsh and Karen Oelschlag.

The girls gathered around Jane as she opened her gayly wrapped

Hear Popovich Speak on Music

Section 2 of the Women's Guild met May 16 at the home of Mrs. H. C. Muldner, 9 Crane Court, in Sleepy Hollow. The co-hostesses were Mrs. Arthur Smith and Mrs. E. H. Russ.

After dessert was served the meeting was called to order by Mrs. Jim Hupp. Mrs. Irene gave the devotions using excerpts from E. Stanley Jones' inspirational book, "Victorious Living."

The feature of the program was a fascinating talk by Dan Popovich on his work in teaching the piano and pipe organ at the California School for the Blind in Berkeley. He has been teaching in the music department for the past 15 years. He passed around papers with the alphabet, the ten digits, and some music which he had typed in braille for them to see and feel.

One of his piano students recently won a cash first prize in a music contest in Oakland. Graduates are often able to support themselves by concert or band work. Fred Sinclair and Bob Witherspoon for example, are well known in the Bay area as pianists. During school life, usually up to 21 years of age, pupils are prepared to lead a normal life.

The pupils wish to be treated as normal people. Other departments in the school have turned out students who have become successful doctors, lawyers and even chemists.

birthdays gifts. There were handkerchiefs, scarfs, a doll, a toy cupboard completely equipped for light housekeeping, and many pretty wearables. At the party table a hot supper was followed by ice cream and a birthday cake. Little four-year-old brother Stevie, in a natty suit, solemnly looked on. The early evening treat was a number of children's movies shown by Jane's father, Mel Lowman.

JULIE NEWMAN

Rides on the Tilden Park ponies and the merry-go-round highlighted Julie Newman's party on Saturday. Celebrating her sixth birthday, Julie was assisted by her brother Bob who helped serve the refreshments in the patio of their Acacia Drive home.

Julie's guests included Laurie Brown, Cassandra Coates, Vinnie Gilbert, Emmy Grah, April Hallatt, Mary Ann Hansen, Cherie Jackson, Mary Ellen Kenville, Sharon Mitchell, Julie Noller, Joyce Odenthal, Sherry Odenthal, Valerie Renwick, Debbie Schevill and Anne Ward.

KITTY WILBER

Kitty Wilber celebrated her sixth birthday Monday. Her guests were Jane Seaman, Terry Kohler, Cathleen Bechtel, Patty Wyatt, Toni Brothers, Carol Barnett, Peter Boyle, Greg Studley, Kendall Studley, Jim Blakeney, Arthur Blakeney and Jean, Diana and Carol Miller.

PETE YEDIDIA

Pete Yedidia had two parties to celebrate his eighth birthday. On May 15 he had neighborhood friends in for cake and ice cream. Those attending were Nancy Mott, Denny Lucas, Janice Lucas, Neljean Hergot, Judy Wilder and Ginger Ketsdever. On Saturday, Peter had his school chums for lunch and the show at Teatro para Ninos. Joining him were Eddy Lee, Peter Wilder, Tommy Kirby, Jack Gilbert, Dickie Start, Richard Anderson and Michael Yedidia.

ROXIE HUNTLEY

Roxie Huntley entertained for luncheon and the theater, the occasion being her tenth birthday Saturday. Her guests were Dorothy Riley, Ann Riley, Sally Spott, Pamela Trefts, Sandy Miller, Mary McFarland, Karen Peterson, Nancy Mott and Madeline Sears.

SUSAN LIBBY

Susan Libby was eleven years old and celebrated with a big party Sunday. Her guests were Becky Harris, Susan Payne, Karen Firmin, Susan Allen, Linda Axelsson, Gail Fries, Susan Fink, Bonnie Nickerson, Eva Ann Ahnstrom, Joy DeKorne, Barbara Williams, Betty Brown, Sharon Bashen and Jane Knudson.

Herrick Benefit Fund Comes to \$1991 Total

A quartet of women, representing four organizations supporting the part-pay clinics of Herrick Memorial Hospital, Berkeley, presented checks and a cash pledge totaling \$1,991 to Richard E. Johnston, chairman of the clinic board, at a board meeting last week in the hospital library.

The four are Mrs. Robert G. Clos, Oakland, president, Herrick Hospital Guild; Mrs. Alexander Laurence, Berkeley, president, Alpha Omicron Pi alumnae, East Bay Chapter; Mrs. Alfred Fadelli, Berkeley, of the Fratellanza Women's Social Club and Mrs. Victor Perero, El Cerrito, of the Handlebar Club.

Orinda residents who participated in recent hospital benefit affairs are Mrs. W. W. Greenlaw, 1 Snowberry Lane, press chairman for East Bay Chapter, Alpha Omicron Pi alumnae, and Mrs. E. S. Rogers, 6 Oak Drive, member of the Herrick Hospital Guild.

Do you realize how much it costs when you drive through the tunnel to shop?

Social and Clubs

Dorothy Thunen, Jack Petree Engaged

Dorothy Ann Thunen of Southwood Court and Jack L. Petree of Fairfield, accompanied by Dorothy's mother, Mrs. George W. Thunen, recently took a trip up the Redwood Highway to announce the engagement of Dorothy and Jack to friends in Crescent City.

While visiting there the attended the famous Avaleo Festival in Oregon.

Dorothy is a graduate of Acalanes High School and is now studying music with Edna Fischer in San Francisco. Her father, George W.

Thunen, is an illumination engineer. Dorothy has an older brother, Charles G. Thunen.

Jack, the son of Mr. and Mrs. Roy Petree, is in the Navy and has been in Korea for the last six months.

Dorothy's and Jack's wedding plans are indefinite, since he still has three years to serve with the Navy. Until wedding plans are final, Dorothy will continue with her music and will work part-time. She and Jack have known each other since early childhood.

School Libraries Run by Mothers

During the past year the Library Committee of the Orinda Mothers Club has catalogued and reopened for service the libraries of both schools.

Mrs. Robert Harrison, chairman, reports that both libraries have approximately 3,035 books. In addition to books purchased with Mothers Club funds (about 150 books for \$279.80), many books have been donated to the libraries by the children. Books have been repaired and replaced on the shelves whenever possible, books too badly damaged or too old have been sold and the money used to purchase new books. The libraries are open each day from 9 until 3 and are staffed by members of Mothers Club.

Next year the committee hopes to have all Orinda School books listed on white cards and all Glorieta books on pink to facilitate the work when books are loaned from one school to another for reference work. New books to the value of \$50 per month will be added to the libraries with funds raised by Absurdia in Suburbia II.

Thanks to the many mothers who volunteered to help and to the teachers and Mothers Club board, were expressed. This work will continue next year and anyone interested in helping in the libraries will please contact Mrs. Harrison.

Graduates From Airline Course

Jacqueline Bruzzone, 21, daughter of Mr. and Mrs. Frank L. Bruzzone, 24 Orchard Road, graduated from the United Air Lines stewardess training center at Cheyenne, Wyoming.

A graduate of Holy Names High School in Oakland, Miss Bruzzone attended San Francisco College for Women.

She has been assigned to flights operating from New York's La Guardia Airport.

Michigan State Plans Alumni Dinner Party

The Michigan State Alumni Association of Northern California will have a dinner meeting at the Shattuck Hotel in Berkeley tomorrow.

Among members of the Alumni Association from Orinda are Mr. and Mrs. W. P. Mott, 62 Ardilla Road, and Mrs. Mark S. Sorenson, 16 Mira Vista.

The final bridge sections for the school year met last Friday.

The morning section met at the home of Mrs. Francis Wyatt, 14 St. James Court. Those attending were Mesdames Robert Bigler, Joseph Downs, Russell Gilwee, William Houston, George Haas, Jack Moylan, Berton Kohler, Howard Lane, Thomas Moore, Albert Normand, Dan Peacock, Wendel Butcher, J. Stahl, Gordon Pray, Robert Lyman, William Courtright, Joseph Sheaff, William Witter, Bernard Wilbur, Ralph Stocker, Alan Wadell, William Keating, Fred Theille, Frank Coffee, Greg Engelhard, Roy Wendelbo and Mel Nickerson.

The afternoon section met at the home of Mrs. John Barchfield, 567 Minor Road. Attending were Mesdames Roger Dexter, Owen Jones, Robert Maddox, Victor Richt, John Wasson, C. A. Winrod, Charles Wilson, Ida Zamlock, Donald Krotz, Arthur Anderson, W. C. Young, F. Smith, Wayne Littlejohn, Everett Ham and Roy Tess.

Orinda Mothers Club bridge and canasta groups will not meet during the summer, but will resume after school re-opens.

Parker Guests Hear Recording of 'Myth'

Mr. and Mrs. John Parker of 52 Camino Del Diablo entertained a group of Orinda Friends Tuesday night at an informal discussion sponsored by the United World Federalists. The program featured a recording of "The Myth That Threatens the World," presented by the cast of "South Pacific."

Dr. John Peoples of Alameda High School and a member of the state U.W.F. executive council, led a discussion. Present were Messrs. and Mesdames Gordon Pray, Fred Udall, Richard Dekay, Victor Savale, Ed Merrill, William Courtright and Roy Blackmer and Mesdames Doris Clifford, Robert Hart and Stewart Henderson, all of Orinda, and Mrs. George Venrick and Mrs. Alice White of Piedmont.

Visited by Niece

Mrs. G. F. Hickok of 88 El Toyonal had her niece from Santa Cruz, Lois Johnson, visiting her all last week.

LEGAL NOTICE

In the Municipal Court of the City of Oakland County of Alameda, State of California SUMMONS Action No. 8753

MERCHANTS COLLECTION ASSOCIATION OF OAKLAND, in which firm name and style George B. Fink is doing business.

Plaintiff

vs. ARTHUR F. SISTERNA, HARRIET SISTERNA, also known as MRS. ARTHUR F. SISTERNA, First Doe and Second Doe

Defendant THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

Arthur F. Sisterna, Harriet Sisterna, also known as Mrs. Arthur F. Sisterna, First Doe and Second Doe.

YOU ARE HEREBY DIRECTED TO APPEAR AND ANSWER the Complaint filed in an action brought

Alumnae Attends Benefit Picture

In lieu of a May meeting, Orinda Mills Club attended a benefit motion picture May 15 at the Hopkins Theater.

The affair was sponsored by the freshman class of Mills College to raise money for a scholarship fund.

President White spoke briefly. The freshman art majors exhibited their pictures in the theater lobby. Refreshments were sold after the performance.

Besides the Mills alumnae Mesdames Edward Rogers, Judy Henderson and Michael Bigler attended.

Plan Ceremony Of Rededication

The seven-branched candlestick given by the Women's Guild in 1945 in memory of Orindans who lost their lives in the second world war will again be used in a ceremony of rededication at the Community Church service at 11 o'clock Sunday morning.

Assisted by C. Ray Fowler, the Rev. Fred Morrow will conduct the worship, speaking briefly on the 1951 meanings of Memorial Day, and reporting on spiritual highlights of the Congregational Conference meeting at Fresno last week.

Margaret Popovich and the choir, accompanied at the memorial organ by Dorothy Turk, assist in the service. Their anthem is taken from Mendelssohn's "Elijah," and consists in a womens' a cappella chorus, "I will lift up mine eyes," followed by mixed choral, "He watching over Israel."

Boys and girls up to and including the high school age are to receive Christian instruction in their graded departments from 9:30 to 10:30. Younger children are also cared for at the church hour, to enable parents to attend worship. At 7 p.m. Mr. Fowler serves as counselor for the high school age Pilgrim Fellowship.

Rites Conducted For Dr. A. Wold

Funeral services for Dr. A. P. Wold, 55, well-known physician and eye specialist, were held at the Grant D. Miller Mortuary, Oakland, last Friday morning. Dr. Wold died in an Oakland hospital May 16 after a month's illness.

A resident of this area for the past 22 years, Dr. Wold made his home at 629 Miner Road. He was a native of St. Paul, Minn.

Dr. Wold was a graduate of the University of Minnesota Medical School and took specialized training at Stanford Medical School. He was a member of the Alameda-Contra Costa Medical Association.

Survivors include his widow, Mrs. Dorothy Ross Wold; two sons, Ross, 19, and Dexter, 13; a sister, Mrs. Helen Wold Johnson, and two brothers, Dr. Karl C. and the Rev. Norman Wold of St. Paul.

Will you be killed tomorrow? Drive very carefully.

against you by the above named Plaintiff in the MUNICIPAL COURT of the CITY OF OAKLAND, County of Alameda, State of California, within TEN days after the service on you of this Summons—if served within said County, or within thirty days if served elsewhere.

YOU ARE HEREBY NOTIFIED THAT UNLESS YOU SO APPEAR AND ANSWER as above directed, the said Plaintiff will take judgment for any money or damages demanded in the Complaint as arising upon contract, or will apply to the Court for any other relief demanded in the Complaint.

Given under my hand and seal this 17th day of November, 1950.

FRED ANDERSON

Clerk of the Municipal Court

Bonnet Tea Held By Mothers Club

The Orinda Mothers Club Spring Bonnet Tea was held Tuesday afternoon at the home of Mrs. Thomas Telfer, 2 Oak Arbor Road. 120 members were welcomed by the new officers and the gracious Mrs. Telfer.

The outgoing board members introduced mothers, and a very friendly atmosphere prevailed. The beautifully arranged table and refreshments were planned by the mothers of the Orinda afternoon kindergarten and both Glorieta kindergartens, under the direction of room mothers Mrs. Clarence Davey, Mrs. Henry Minor and Mrs. T. M. Harrer.

This event was the closing activity of a very successful year. The outgoing officers and their board are passing their duties on to a very promising group, which will carry on next year's activities.

Mothers Club Examines Eyes

The Health Committee of the Orinda Mothers Club has completed eye examinations for every child in both Orinda and Glorieta schools. It helped with inoculations and vaccinations, organized the First Aid course now being given at Orinda School two evenings a week. Workers on the committee include Ruby Huntley, Mildred Cook, Jean Montgomery, Marge Hauser, Edith Breed and Mrs. Raymond Ickes under the chairmanship of Ruth Butler and Jean Smith.

Publicity Chairman Gertrude Arighi reports approximately \$130 raised through news contributions to the SUN. This money will be used for playground equipment for the schools. Marian Brown and Billie Bowles assisted with publicity for Absurdia in Suburbia II.

Camp Fire Girls Sleep on Beach

Orinda Campfire Girls, under the leadership of Mr. and Mrs. Everett Demster, collected and studied sea weeds and tide pool life at Pierce's Beach, Marin County, last weekend.

The cooking and sleeping out on the beach was fun for all, but the girls who had had a year's experience were more at home. During the first week of July the group will spend a week in the high Sierras.

Recently the Orinda Campfire Girls attended Berkeley's Grand Council Fire held at the California School for the Blind. At this annual event rank and special honors were awarded. Mrs. Demster was awarded a special honor for holding campfire meetings all last summer.

Mrs. Clarence Brown Is Alumnae Sponsor

Mrs. Clarence W. Brown was alumnae sponsor at the formal tea given at Berkeley Women's City Club last week when Grand Council officers of Delta Sigma Upsilon Sorority presented the members of Beta Alpha Chapter, University of California, to the college and alumnae Panhellenic.

At Sorority Breakfast

Two Orindans, Mrs. Allen Griffin and Mrs. Conway Smith, Jr., attended a Gamma Phi Beta breakfast in San Francisco Sunday in honor of the graduating seniors of the sorority at the University of California and San Jose State College.

Toastmistress

Mrs. W. W. Wilson of Mira Loma was toastmistress at the annual State Day of Delta Zeta Sorority Saturday. Honored at the affair was Dr. Mary Fulstone, Delta Zeta's "Woman of the Year" for 1950.
